Home to Spend Their Vacation.

Earl Dedrick and Lynn Calder arrived home this week from Portland, where they have been in attendance at the Bishop Scott Military Academy, which has just closed its school year. The former is a son of Mr. and Mrs. George Dedrick, and the latter W. C. Calder, all well-known Sumpter residents. Both of the boys show the effects of the splendid school from which they have come, and to which they will return in September. In the list of honorable mention among the various grades and departments, young Dedrick stands second highest in the academic department, with a record of 90. It is learned that Dr. Hill, who has been principal of the academy for seven years, is just completing a new military college building at Portland and will open the same in a short time. He has the happy faculty of making himself extremely popular with his scholars, whom he numbers by the hundreds, hence the new institution is sure to start off with a large patronage.

An Excursion to Cincinnati.

The official route selected by the society of Christian Endeavor for their International meeting at Cincinnati, Ohio, July 8th to 10th, is O. R. & N. Co., Oregon Short Line, Rio Grande Western Railway, Denver & Rio Grande Railroad, Burlington and Big Four systems. The delegates and their friends will leave Portland on the evening of July 1, stopping en route at Salt Lake City, where they will be joined by the California and Utah delegations. Cordial invitation is extended to all, whether Endeavorers or otherwise, who are contemplating an eastern trip, to join the party. Further particulars may be obtained from Rev. A. J. Montgomery, transportation manager, Oregon City, Or., or the Rio Grande Western Railway, No. 122 Third street, Portland, Or.

New Map of the Cable Cove District.

Engineer W. H. W. Hamilton has just completed a new map of the Cable Cove mining district, 17x23 inches in size, showing the various properties there, the mountain ranges, water courses, wagon roads and trails. Blue prints of the same are for sale at THE MINER office at \$1.50 each, sent postpaid to any address on receipt of the price.

J. N. Hoffman, at the Mill street bakery, makes all kinds of pastry and the best bread in town. Ice cream of his own make daily. Free delivery to residences.

The Capital Hotel is again under the management of Mrs George B Tedrowe, which fact guarantees the best of service to all patrons.
