

SUNRISE MINING COMPANY

Capital Stock \$1,000,000, Shares \$1 Each

Stock Fully Paid
and Non-Assessable

500,000
Shares in Treasury for Development

STOCK 3 CENTS PER SHARE
\$30 PER ONE THOUSAND SHARES

On August 1, the price of stock will be advanced from three cents per share to four cents per share.

Recently the Greenhorn mountains has been the scene of some most wonderful discoveries. Sylvanite ore running into the thousands of dollars per ton has been opened up. The claims owned by the Sunrise Mining Company are in the very heart of this wonderfully rich mineral zone.

Do not delay longer. An investment in a few thousand shares of Sunrise stock may make you wealthy.

WE EXPECT TO OPEN BY TUNNEL AT A DEPTH OF 500 FEET
