Reduced Rates to the East.

Those contemplating an eastern trip will be interested to know that there will shortly be on sale greatly reduced rate tickets in connection with the Rio Grande System, the famous "Scenic Line of the World." This line offers its passengers a most delightful and comfortable journey to all eastern points. It is the only transcontinental line passing directly through quaint and picturesque Salt Lake City, "The City of the Saints;" beautiful Glenwood Springs, Leadville, Pueblo, Colorado Springs (where a side trip may be made to the Garden of the Gods and the summit of Pike's Peak over the cog-wheel railroad) and Denver, the queen city of the intermountain region. Stop-overs are allowed on all classes of tickets. Three daily express trains make close connections with all trains east and west and afford a choice of five distinct routes of travel. The equipment of these trains is the best, including free reclining chair cars, standard and tourist sleepers, a perfect dining car service, and also personally conducted excursion cars, each in charge of a competent guide, whose business is to look after the comfort of his guests. No more pleasant and inexpensive means of crossing the continent can be found than is provided by these excursions. For additional details address J. D. Mansfield, general agent Rio Grande lines, 124 Third St., Portland, Oregon.

Austin Craig Sues A. P. Goss.

Austin Craig, postmaster at Whitney, has brought suit against A. P. Goss for \$20,000 damages. President Goss, of the Bank of Sumpter, had Craig arrested last fall for beating him out of about \$1,000 while acting as agent of the bank at Whitney. This suit for damages, as a result of that transaction, is acknowledged by experts to be the finest specimen of gall ever exhibited in this state. This man Craig, it is reported, made a record for queer financiering before he came to eastern Oregon.

RICH PLACER MINE.

I have for sale a producing placer mine, now in operation, including an undisputed water right and 300 acres of good ground.

With proper facilities the purchase price can be taken out of the ground within one year. It is one of the most attractive and legitimate investments in Baker county.
