Rates Again Reduced From All Points East.
 Before you make definite arrangements for that trip east let us quote you rates via the Illinois Central railroad. Our rates are the lowest to be had, and it will pay you to write us. If you haven't time to communicate with us, tell the agent from whom you purchase your ticket that you want to travel by the way of the Illinois Central, and you will never regret the trip. If any of your relatives or friends in the east are coming west while the low rates are in effect, write us about them, and we will see that they get the lowest rates with the best service. Through tourist cars, free reclining chair cars—in fact all the latest conveniences known to modern railroading.
