German Expert at the Standard.

Expert William Beddig, who gathers rare ores for shipment to Germany for treatment by superior processes, returned to Nampa last week after a hurried examination of the Standard mine and its wonderful body of cobalt ore. He will return again in a month or so. It was Mr. Beddig who made the recent shipment of cobalt from that mine to Germany for Hugo Krupp, the multi-millionaire. A test of this ore in the "old country" may result in the shipment of the Standard's entire output to Germany. Hon. Zoeth Houser, of the Standard, accompanied Mr. Beddig, leaving for Pendleton on Thursday evening to prepare to return to Quartzburg to establish there his permanent headquarters.—Prairie City Miner.

Rates Again Reduced From All Points East

Before you make definite arrangements for that trip east let us quote you rates via the Illinois Central railroad. Our rates are the lowest to be had, and it will pay you to write us. If you haven't time to communicate with us, tell the agent from whom you purchase your ticket that you want to travel by the way of the Illinois Central, and you will never regret the trip. If any of your relatives or friends in the east are coming west while the low rates are in effect, write us about them, and we will see that they get the lowest rates with the best service. Through tourist cars, free reclining chair cars—in fact all the latest conveniences known to modern railroading. For particulars regarding rates, time, service, stop-overs, different connection and routes, etc, call on or address, B. F. TRUMBULL, Com'l. Agt. 142 Third street, Portland, Oregon.
