

Good Yellow Gold!

YOU WANT SOME OF COURSE.

Then Let Us "Put You Wise."

THE PRICE OF

Oregon-Monarch Gold Mining Stock

WILL ADVANCE SOON

It has doubled in value in four months. This proves that if you had invested a little money in this proposition a short time ago you would have had a profit equal to your original investment. Does 25 per cent profit interest you? ❀ ❀ ❀ ❀ ❀ ❀

Oregon-Monarch Stock Will Continue to Advance! ❀ It Will Go Higher!

and when that occurs, if you have a little stock in it you can share in the profits of the next rise.

OREGON-MONARCH STOCK

started at only 10 cents a share and it has steadily advanced in price and been steadily in demand by shrewd investors. It is now worth 25 cents a share, cash, or 30 cents payable in installments. Do you want to lay the foundation for a comfortable fortune? Do you want a nice nest egg for your old age? Do you want an investment becoming more valuable constantly? If you do ❀ ❀

Buy Oregon-Monarch Stock Now

It is the best gold mining region in Oregon. It is within 100 feet of the hoist of the famous Red Boy mine, Oregon's Golden Wonder. It covers the same direct vein of Gold-bearing ore as the Red Boy. It is in the hands of gentlemen whose integrity, business ability, and whose judgment of the value of mining propositions cannot be questioned.

IT IS FOREVER NON-ASSESSABLE AND WILL SOON BE FOREVER DIVIDEND PAYING. WRITE TO-DAY FOR FULL INFORMATION.
