**The Red Boy Consolidated
Gold Mining Company**

OREGON'S GREATEST MINE

Has Produced Hundreds of Thousands of Dollars in Gold and Will Produce Millions. A Great Electric Power Plant, Trebling the Present Stamp Mill and Other Vast Improvements will Soon Increase the Dividends Many Fold. * Instead of Diverting the Dividends for this Purpose, Stock is Offered for Sale for the First Time in the History of the Mine. * * * * *

**THIS IS YOUR CHANCE
BUY RED BOY STOCK
WHY?**

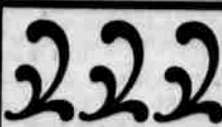

Because: 

- IT is a great Producing Mine.
- IT has an immense ore reserve in Five rich veins.
- IT has the finest Mining Equipment in the Northwest.
- IT has clear title, no debts, no trouble.
- IT will steadily increase in value.
- IT pays dividends and will increase them many times.
- IT will provide for the rainy day.
- IT will take care of your latter years.
- IT will pay dividends to the next generation.

LATEST STRIKE

From the lowest workings of the mine they have just taken ore that runs over \$1000 to the ton

ACT PROMPTLY. THE PRICE WILL ADVANCE
