

CRACKER EAGLE SOARS!

IT WILL not be long before the Opportunity to Secure this Stock will have Passed Beyond Your Reach. When it was First Offered we Advised you candidly that this Stock would rapidly be taken, and also Advance to Much Higher Figures.

The demand for Cracker Eagle has been Strong and Constant. Investors very early discovered that it Measured up to the Requirements of an almost Ideal Proposition. The Calcium Light of Investigation made it Stand Out in Bold Relief. Light, in fact, was necessary to a full appreciation of its Intrinsic Value. Hence almost every thorough examination has fruited in a Purchase.

The Property is Looking Better Every Day and assures us that the making of a Good Mine is in Process of Evolution. The Mammoth Fissure Vein is 250 Feet Wide and has a Large Body of Good Milling Grade Ore. Drifts on the Ore Shoots are Opening a Quality of Quartz that always Carries High Values in the Cracker Creek District.

An Almost Sufficient Development Fund has been Created, making it Unnecessary to sell very much more stock. It will not be long before it will be taken off the market. If you are Contemplating the Purchase of this Stock Buy at Once.

**THE PRICE HAS ADVANCED TO
TWENTY-FIVE CENTS**

In Your List of Investments Give Cracker Eagle a Place. We believe it will Lay a Golden Egg for You.
