

**DUNN AND RAY
WIN THE MONEY.**

**Midway Team Carries Off
Purse At Bourne, Friday.**

Dunn and Ray, who won first money at Granite, carried off the purse in the drilling contest Friday afternoon at Bourne, in one of the most snappy, spirited, and perhaps best matches ever witnessed in Eastern Oregon. The team drilled forty and seven-sixteenths inches in fifteen minutes, winning by only a small fraction of an inch. The first team to drill was Roy Waters, who with M. K. Scott, won second money at Granite, and Ed Healy. This team made the somewhat remarkable record of thirty-nine and five-eighths inches. The next was the Bourne team, Henderson and Johns, which was third at Granite, and on whose account the match was pulled off. Its record was forty and one-eighth inches drilled into the solid granite. Ray and Dunn came in last with the record stated, winning the money. It was an interesting match, and all three teams did exceedingly clever work. A. J. Stinson, D. L. Goodfellow and W. M. Roelsma acted as judges.

Quite a number of people from Sumpter and neighboring points attended the meet. A dance was given in the evening to which many of the visitors stayed.

SUSANVILLE.

**Great Activity At The Badger
And Other Properties.**

Reports from the Susanville district state that the Badger people will probably put a mill on the Bull of the Woods, an adjoining property which they control. The Badger plant is going at its full capacity, and working a big force. A mining man who returned from the district a day or so ago says: "I found great activity in the district, and I am of the opinion that it holds out more than ordinary promise. The Badger particularly is doing great work. I should say that I saw twenty-five or thirty teams on the road hauling concentrates from the mine. Considerable work is being done on other properties, and the district is attracting a good deal of attention from outside capital. It is exceedingly rich in mineral, but it is practically untouched."

GRADING FOR HOIST.

**Midway Machinery Expected to Arrive
Any Day.**

The grading is being done on the Midway for the hoist which is expected to arrive any day. The machinery was ordered some time ago and should have been here before this, has been delayed in transit.

As has been stated previously it consists of a hoist good for 1,500 feet depth and a 125 horse power boiler. It will be installed immediately upon its arrival.

Bond on Gem.

The Geiser-Hendryx Investment company has taken a bond on the

Gem mine and mill situated near Baker City, and Mr. Hendryx is now in the east negotiating a deal for the property. The valuation, it is stated, is placed at \$90,000.

ORDINANCE NO. 191.

An ordinance establishing the grade of Granite Street from its intersection with Mill Street, Easterly to its intersection with Columbia Street, and to repeal Ordinance No. 175 of the City of Sumpter, approved Nov. 6th, 1902.

The City of Sumpter does ordain as follows:

That the grade of Granite Street from its intersection with Mill Street Easterly to its intersection with Columbia Street, in said City of Sumpter, Oregon, shall be as shown by the plat of said portion of Granite Street, prepared by C. H. Fenner, City Engineer, and approved May 21, 1903, and the courses, distances, levels, and grades thereon stated, which profile is on file with the Recorder of the said City of Sumpter, and is hereby referred to and made a part of this ordinance.

That Ordinance No. 175, new series, of the City of Sumpter, entitled: "An ordinance establishing the grade of Granite Street Easterly from its intersection with Mill Street to its intersection with the west line of Columbia," approved Nov. 6th, 1902, be and the same is hereby repealed.

Passed the council June 18, 1903.
S. S. START, Recorder.
Approved June 18, 1903.
C. H. McCOLLOCH, Mayor.

ORDINANCE NO. 192.

An ordinance establishing the grade of Columbia Street from its intersection with North Street to its intersection with the North line of Lot 20 in Block 11, as shown on the plat of said Sumpter Height's Addition to Sumpter, Oregon, of record in the office of the Recorder of Baker County, Oregon, extended across Columbia Street, and to repeal Ordinance No. 176 of the City of Sumpter, approved Nov. 6th, 1902.

The City of Sumpter does ordain as follows:

That the grade of Columbia Street in the City of Sumpter, from its intersection with North Street to its intersection with the North line of Lot 20 in Block 11, as shown on the plat of Sumpter Height's Addition to Sumpter, of record in the office of the Recorder of Conveyances of Baker County, Oregon, extended across said Columbia Street, shall be as shown by the profile of said portion of Columbia Street, prepared by C. H. Fenner, City Engineer, and approved May 21, 1903, and the courses, distances, levels, and grades thereon stated, which plat is on file with the Recorder of the City of Sumpter, and is hereby referred to and made a part of this ordinance.

That Ordinance No. 176, new series, of the City of Sumpter, entitled: "An ordinance establishing the grade of Columbia Street from its intersection with Granite Street to its intersection with North Street," be and the same hereby is repealed.

Passed the council June 18, 1903.
S. S. START,
Recorder of Sumpter, Oregon.
Approved June 18, 1903.
C. H. McCOLLOCH, Mayor.
