The Magnolia Company

Being Strictly a Gold Mining Enterprise, in Contradistinction from a Stock Jobbing Proposition, the Sale of Stock Will Naturally be Discontinued when Sufficient Money is raised to Complete Certain Additions Necessary for the More Economic Treatment of the Ores. That Time is Rapidly Approaching, and when the Stamps Again Begin to Drop Magnolia Stock will be Withdrawn from the Market. These are Plain Facts in the Case. Write at Once for Illustrated Prospectus to

Magnolia Consolidated Gold Mines Co.
