

DREDGING PROPOSITION IN IDAHO

PLENTY OF GROUND
PLENTY OF WATER
PLENTY OF GOLD

OWNER ASKS FOR NO MONEY

THIS WILL STAND the Closest Investigation. Will sell Outright on Liberal Terms, if insisted upon, but much prefer to make a deal with men of means who will install a Dredger for an interest in the property. There is absolutely no question but what this will prove to be a Paying Investment. Every condition is as favorable as could be desired. Will do business only with principals direct, with men who have sufficient capital to handle the proposition successfully.
