BUTTEVILLE NEWS

Mr. Morris, who has been living in A. D. Yergen's house in this town, is going to run Fred Dentel's farm.

The Ladies' Aid Society will hold their annual Xmas sale upon the afternoon and evening of Saturday, Nov. 18th, 1905, in the dining hall of the Butteville Hotel. Useful household articles will be offered at reasonable prices, also fancy articles suitable for Xmas presents. An attractive programme is in preparation and tempting refreshments will be for sale.

A number of hop-buyers have been in the country this last week and a few lots of hops have been sold.

A wedding took place here Saturday evening, Nov. 4th, 1905, Mrs. L. B. Saunders and Mr. George Eastman being the participants. A large number of people were present. Old and young mixed and spent a very enjoyable evening. The Rev. Mr. Warren officiated. The service was a simple but very impressive one. Refreshments were served and afterwards came the Bride's Cake, which was all that a bride's cake should be. Mr. Warren was overheard remarking during the evening that he hoped he would get many more jobs of the same kind. Mrs. Eastman has the good wishes of the whole community, being greatly esteemed and liked by everyone.

Guy McCully, while hauling hop poles on the Ives farm, got his leg caught between the wheel of the wagon and a stump and his ankle was broken. This accident happened last Friday and at present he is improving slowly.

No Poison in Chamberlain's Cough Remedy

From Napier, New Zealand, Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by M. Giesy, Druggist, Aurora, Or.

UNION

Nov. 9.—This weather makes everybody feel good.

Caroline Eilers is going to school in Portland this Winter.

Mr. and Mrs. Krause, of Wilsonville, passed through Union one day last week.

Some people almost break their necks trying to find out things that are not worth knowing.

Mr. Rogers, who has been renting Mr. Ehlen's place the past year, has moved away.

Mrs. G. Yergen and daughter visited at Knorr's, Sunday.

Mrs. Keil and Miss Hazen went out for a drive Sunday afternoon.

Mr. Knorr made a business trip to Portland last week.

Mrs. Stroup and Mrs. Keller visited Mrs. Keil on Thursday.

Mr. Wolfe did not return to the East as was stated in the Union news last week, but instead went to Eugene where he now makes his home.

H. H. Smidt is busy digging potatoes.

Wm. Kaake, who has worked for Ed Smidt for the past four years, quit his job last Tuesday. We understand that he has rented some land in this vicinity and intends to start up for himself. Since William is a very industrious young man, we feel almost sure of his success. However, we hope good luck will be with him in all his undertakings.
