Orthographical Romance.

They were returning from the spelling bee. "Mr. Spoonamore," she said, "why did you miss that easy word? You spelled 'honor' with a 'u'." "I know it," he answered. "The feeling came over me all at once that I just couldn't get along without 'u,' Miss Daisy."

Unnecessary.

"Yes," growled old Hoxley, "Mabel's lover interviewed me last night. Stupid fellow; no sense at all." "Ah!" exclaimed Ascum, "then you won't have him for a son-in-law?" "What have I to do with it? The idea of his coming to ask me when the girl and her mother are satisfied. If he had any sense he'd know that set tled it."—Philadelphia Press.

Rebbed Torture.

"Talk about the superiority of mind over matter!" said the argumentative boarder. "It's just the other way. If you want to be sure not to forget a thing you don't trust it to your memory. You take a pencil and a slip of paper and make a memorandum of it."

Give Him No Trouble.

"Uncle Henry, don't you find it hard work being a vegetarian?" "Not at all, my boy. It's only necessary to be conservative about it. When I feel an insatiable craving for a big plate of bacon and eggs I always yield to it."—Chicago Tribune.

Neutrality.

The voter in Desborough reflected. "If I vote the 'citizens' ticket," he said, "I'm agin the people, and if I vote the 'people's ticket' I ain't a good citizen. Blamed if I'm goin' to vote at all!" Pulling his hat down over his eyes, he turned on his heel and strode away in disgust. The intricacies of village politics were too deep for him.

Trousseau Gowns.

"Trousseau gowns are lovelier than ever," says the fashion editor of the Woman's Home Companion, "but as they have increased in beauty, they have lessened in number. Very few brides of to-day, no matter how fashionable they may be, order a trousseau consisting of a great number of costumes. The reason for this is that fashions change so that it is necessary every little while to have a new-style gown if one is to keep pace with the capricious modes. "The bridal princess gown is a style which will be in fashion for a long time to come. One can wear it as long as the material lasts by merely changing the sleeves to meet the requirements of the prevailing fashion."

Work for Live Improvement Society.

In small centers of population where none but the most general laws govern it is necessary to form an improvement society to look after the health and well being of the people as a whole, says the Los Angeles Times. The laws of hygiene must be observed. Both sewers and surface drainage should be provided by the people as a whole, and where no city government exists this is a splendid work for a live society for civic betterment.

The readers of this paper will be pleased to learn that there is at least one dreadful disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known in the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving to the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Don't Poison Baby.

Forty years ago almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and A FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed. CASTORIA DOES NOT CONTAIN NARCOTICS, if it bears the signature of Chas. H. Fletcher.
