The Oregon Journal of last Sunday tells of a party of 15 ladies from Aurora, who were compelled to drive to Gladstone Park for lack of transportation facilities, in order to be present as hostesses at the headquarters of the State Federation of Women's clubs. This they complain of, in view of the fact that the North Bound passenger train that passes through Aurora at about 6 o'clock in the morning and could easily stop long enough to take on passengers. Other towns that do not have as much passenger traffic as Aurora have service from these trains and it seems reasonable that Aurora should also.

One of the very pleasant events of the summer was the lawn party given by Guy and Francis Weaver at their beautiful home on Thursday of last week. The grounds were cool and inviting after an uncomfortable hot day. Chinese lanterns lent enchantment to the scene and music and games were the order of the evening. Orange punch and cake regaled the inner man. At a late hour the guests took their departure after pronouncing it a most enjoyable affair.
