He wants He is anxious, however, to proBryan elected, and the trusts tect "the honest banker" against "busted". In view of the fact the wild catter. He says in subthat Judge Parker is receiving stance. let the depositor look out 50,000 a year as a corporation attorney we cannot see how he can consiatently work to put himGuarantecing Bank Deposits. Postmaster-General Meyer en eavors to advance reasons against the guarantee of bank deposits on the ground that it would lead the dishonest banker into juggling with public confi-
dence, securing enormous deosits by offering 6 per cent on time certificates, and then ab3conding with the eash. A ten
year old schoolboy with a normally developed brtin would not
dvance such an arfament. The hall be able to get their money emand of the bankers that the shall get the money, or its equivlant, loaned out on securities. The banker demands that his noney shall be protected by real property; the depositor should demand that his money in the bank hall be protected by a kuaranwill not work a hardship upo ny bank.
Mr, Meyer says
"The guaranteeing of deposits y all National banks would mean nothing less than that the comservative and honestly managed banks would have to pay the debts of banks which have been badily and dishonestly manvould be nothing to prevent a not over-scrupulous banking officer in the competition of sectring deposits by going to depeators and offering them six per cent hey had no ridks as debocits are, gyaranteed. The bank, in
turn, would have tomake invest ments which would involve great risks in order to make any
'If successful this would tend o increase speculation, which is
