**WOODBURN DEPARTMENT**

**"NO WONDER HE LAUGHS"**

Every man with a fat bank account can afford to laugh. Also to take a "smile" once in a while. He who saves first can spend afterwards, but he can't do much spending first and expect to save after it. Put your money in the bank now, where it will be drawing interest so that you can spend later on. We will be glad to have your account, and talk to you about the interest that it will earn for you while in our care.

**The Separator Question**  
IF YOU were going to buy a separator, wouldn't you want to get the best for your money? It would be justice to you, your wife and family to do this. A post card, costing you one cent, will give you a chance to read up about the Empire, to study its construction, cost, appearance, etc. You should do this before purchasing. We claim lightest running, close skimming, easily cleaned, simplicity, and durability. If you read our catalogue, or see our machine and cannot agree with us, very well, you have learned something and done us no injury. May we at least send you a catalogue.
