Aurora Fruit, Garden and Berry Tracts

The land at Aurora, for many years covered by the mill pond and which has been ennobled by the deposit of sediments and all washed in from the surrounding country, is now drained, embanked, platted and registered as "HURST'S GARDEN TRACTS," and for a short time are offered at less than ONE-HALF their real value.

HURST'S GARDEN TRACTS consists of 35 small homes from two to eight acres in size, each one situated on an open road leading to Aurora.

Each Tract Has Deep, Rich Soil

Each Tract Has Fine, Natural Drainage

Each Tract Has a Slightly Elevated Building Site

A few have tracts Beaverton soil suitable for Onions, etc.

Many of the tracts are suitable for gardening

Many of the tracts are suitable for poultry raising

Many of the tracts are suitable for fruit and berry farming

Many of the tracts have timber for fuel

Each and every one of these tracts will make a desirable home for any one, on the main line of the Southern Pacific, close to a good school and adjoining one of the best towns in the Willamette Valley with wide-a-mouth markets to look after the marketing of your products.

Prices Range from $65 to $150 per acre.
