One of the best savings that could
be effected would be if all the "clack-
ers" and alarmists could be induced to
save their breath. That really would
help to win the war.

from 18 to 35 years of age. Registered
men and married men may enlist
for duration of the war. Write or call

ma Bldg., Portland.

M. N. Crisell, W. J. Flick and George
Gray have canvassed the Union district
for the sale of War Savings Stamps.
Mr. Crisell Monday turned in a report
of 44 War Savings Stamps sold and a
number of Thrift Stamps. Their ap-
peal to people of Union was in the nature
of a campaign of education, for the
War Savings Stamps will be sold
throughout the year. Continued sav-
ing and constant economy and thrift
must be practiced to raise the money
the government must have. These
men are doing their country and their
neighbors a service in this War Stamp
movement.

will be here to put on the work. With
the initiation of this class, the Ness-
muk Camp will take on the proportions
of a metropolitan camp—not quite as
large as Multnomah camp, nor large

never the less.

Long continued ill health is given as
the cause of the suicide of Chester
Wills at Canby last week. Last fall he
underwent an operation which did little
good. The funeral Friday was attend-
ed by a number from Aurora, including
many Woodmen, under whose charge
the funeral services were conducted.
Mr. Wills not long since having trans-
ferred his W. O. W. membership to
Nessmuk Camp of this city. The Camp
has for a long time kept up his dues in
order to keep his insurance in effect.

HOP NOTES

With the reduction of the output of
breweries one-third as required by the
food administration for April, May and
June, there will, of course, be a great
reduction in hops used, amounting to
some 10,000 to 12,000 bales. Growers
who were last week rather optimistic
over the hop prospects find their hopes
dampened by the new restrictions.

THE WHITE DISTRICT

Mr. and Mrs. Joe Bier and baby Mil-
dred spent the week end with Mr. and
Mrs. Herman Abram.

Mr. and Mrs. Frank Julian and son
Kenneth, Mr. and Mrs. Madison of Port-
land spent Sunday, March 10 with Mr.
and Mrs. Fred Schneider.

Mrs. Lydia Lundeen of Minneapolis,
arrived last Tuesday to spend some
time with her daughter Mrs. Fred
Schneider. Mrs. Lundeen's son Walter
is still attending the Minnesota State
College but will graduate in June when
he intends coming west also.

Saturday, March 16 was clean-up day
for White school. The board of educa-
tion and a few P. T.'s with the help
of the teacher Miss Beardsley made
the school yard look like some one lived
there every day instead of being just
an ordinary school yard. The school
is working hard preparing for "Farm-
ers Day" the 30th of March.

MACKSBURG.

Emil the little son of Mr. and Mrs.
Fred Walch has returned from the hos-
pital in Portland where he underwent
an operation for appendicitis. The
surgery seems to have been entirely
successful and Emil is more nearly well
than was expected.

Partly from patriotism and partly in-
cited by the high prices of the fur-
dealers the boys are improving every
chance to capture the fur-bearing ani-
mals. Many of which are our subterr-
anean foes. Some of the youthful
hunters are investing their gains in
War Certificates thus strengthening
that all important war service.

The Mother's Club held its regular
semi-monthly session at the home of
Mrs. Simon Miller on Thursday, March
14. Mrs. Chris Christier and Mrs.
David Kauffman were visitors and ren-
dered valuable assistance in the work.
At the request of Mrs. Miller in which
all acquiesced a contribution from the
treasury was made for an orphanage.

Never was sunshine more welcome
than it is now when every rancher is
anxious to begin working for the great-
est crop he ever had. The thought of
the world-feeding devolving so largely
upon the United States is stimulating
to the last degree. Busy as we are,
however, we are not too much so to
notice the charm that lies over our
whole landscape in these days of sun-
shine following long rains. First the
clear atmosphere permits an unobstruc-
ted view of the Cascades in their mantle
of snow, and of Mt. Hood undimmed in
his brilliancy and unmoved in his seren-
ity, however, distracted the rest of the
world may be. At night there is the
lunar sphere that determines the East-
er date. This year the never-failing
cycles in the sky have brought the full
moon so soon after the vernal equinox
that the first Sunday thereafter comes
before March is over instead of in the
usual time of balmy showers. Then
the springing vegetation, the grass as
luxurious as it can ever be, the wild
violet and the spring beauty brighten-
ing the woods and the daffodils border-
ing the lawns with gold.

buy, should look around for
his wants for the coming season

Your Dollars in
Your Country's
Service

U. S. Bonds, War Savings
Stamps, and U. S. Thrift Stamps
must be purchased by the
people from money saved from
their incomes—every dollar spent
for an unnecessary thing is a force for
evil. When that dollar buys labor and
materials for equipping our army and
navy it has a double force—first it ceases
to aid the enemy and second it is fight-
ing for us in the behalf of mankind. Be
sure that your pennies, nickels, dimes,
quarters and dollars are enlisted in the
cause of your country. An idle dollar
is a SLACKER dollar, but a dollar wasted
in war time is a TRAITOR dollar.

Bring an officer needs't present
his getting hold of such a good
thing as a chew of Real Gravely!

He Gets Days of Comfort
out of a pouch of
Real GRAVELY Chewing Plug

Real Gravely Plug is such good tobacco
(just enough sweetening to flavor), that
a pouch of Real Gravely lasts much longer
than an ordinary plug, and gives the com-
fort and satisfaction of good tobacco.

Give any man a chew of Real Gravely Plug, and he
will tell you that's the kind to send. Send the best!
Ordinary plug is false economy. It costs less per
week to chew Real Gravely, because a small chew
of it lasts a long while.

If you smoke a pipe, slice Gravely with your knife
and add a little to your smoking tobacco. It will
give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE
A POUCH OF GRAVELY

Dealers all around here carry it in 10c. pouches. A 3c.
stamp will put it into his hands in any Training Camp or Sea-
port of the U. S. A. Even "over there" a 3c. stamp will take
it to him. Your dealer will supply envelope and give you offi-
cial directions how to address it.
