

CONTRIBUTORS TO THE UNITED WAR WORK FUND

The following are those who contributed to the United War work fund in the Aurora school district:

Table listing names and contribution amounts for the United War Work Fund, including H. J. Keil, Chas. Beck, Otto Keil, etc.

The Kaiser Writes His Friends

DEAR "PROS":—

I regret to inform you that the partnership between "Me and Gott" has been dissolved. It was not mine fault for he deserted me most ungratefully. I think he was jealous of my friendship and loving comradeship with the Devil, whom I have given many lessons on improved ways of running Hell.

If you continue the fine pro-German work you have carried on for four years, we may hope that "der Tag" of our hopes may soon return. I should much like to call you all by name, but I have an idea it would not be safe or comfortable—for you.

Your master in disgrace, -Wm. Hohenzollern.

WILL RECEIVE CARTONS NOVEMBER 19th AND 20th

The Red Cross will have a committee at the Aurora Auxiliary Rooms to receive, inspect, wrap and mail cartons destined to the American soldiers in France, Tuesday and Wednesday, November 19 and 20.

DEPOT BROKEN OPEN

The thief who broke the Southern Pacific depot window Sunday night and rummaged around inside secured only "personal belongings" which the agent, George Miller, had inadvertently left in the office.

Entrance was made through the window but the prowler left by the side door. There was no clew to the identity of the burglar.

COLE PUT THE 'ELL IN BELL

The whole town turned out to celebrate the premature report of the signing of the armistice last Thursday. Old glory was run up on the city flag staff just above the service flag, while those who assembled sang America.

It is said, however, that Nate Cole mourns his inability to put a real Liberty Bell crack in the bell at the Lutheran church—not that he wishes to be destructive but rather that he wanted to put the mark of Americanism on a bell that needs it.

INFLUENZA CASES WELL

No new cases of influenza have been reported here the past week and those sick are now all improving rapidly. Dr. Giesy is able to be out again, Mrs. Giesy is almost convalescent, Mrs. G. A. Ehlen will soon be out again.

THE BAN IS OFF

Mayor Sadler today issued the following permission concerning the holding of public meetings of every sort, which have been prohibited the past three weeks—since October 24.

Proclamation

With the signing of the armistice by Germany, on the stringent terms offered by the associated American and Allied powers; and with the lifting of the Spanish Influenza ban from the city, we may all now assume our normal vocation with satisfaction and security.

Allow me at this time to extend to you my sincere appreciation of your loyal co-operation during the very trying period now happily passed.

Very truly yours, J. W. SADLER, mayor. Aurora, November 13, 1918.

RAY APPERSON HERE

Ray Apperson, who was formerly with the Southern Pacific, was here this week, a guest at the home of Mrs. J. F. Kerr. He is now in the U. S. transport service, having made 12 trips across the Atlantic with troops.

Mr. Apperson is known to many in this section who will be glad to hear of the fine service he has rendered his country.

Grow Raspberries, Gooseberries and Currants. We need them in our business. The Pheasant Northwest Products Co. of Salem will contract them for a term of years. They are money makers.

SEVEN TIMES WOUNDED

Allen T. Gribble, son of Mr. and Mrs. A. D. Gribble, pioneer of Clackamas county, formerly a member of the postal service in Portland, is recovering from seven wounds received in a close fight with the Germans, according to a letter received by his wife, Mrs. Allen T. Gribble, 7009 Sixty-second avenue southeast.

Mr. Gribble enlisted with the United States Marine corps last April but in seven months of service he has seen some active fighting, according to Mrs. Gribble. In August he went to France, and September 13 he was temporarily put out of commission. According to his letter, three wounds in his leg did not stop him from fighting, but when he became wounded in his right wrist he was obliged to crawl to a place of safety.

The hospital is a busy place with the attendants working night and day, according to Mr. Gribble, but he is getting three square meals a day and expects to be out shortly.—Portland Journal

Mr. and Mrs. A. D. Gribble who live in the Macksburg section, have two more sons in France. A. W. Gribble and Sam Gribble, both in the 32nd Aero Squadron, A. E. F., France.

CLACKAMAS COUNTY ELECTION

The election in Clackamas county went all one way—republican. One contest developed—between Koehler, democrat, and Wilson, republican, for sheriff. Wilson received 3464 votes and Koehler 3411. The socialist candidate for sheriff, King received 577.

Miss Duon republican, for treasurer, received 4597, Sawyer democrat 1956, and Thomsen socialist 728.

Judge Campbell for the supreme court received 2449, Coke 124, Olson 449 and Bennett 447.

For Representative H. E. Cross led the ticket with 5210, Dr. Dedman of Canby 4809, C. Schuebel 4398, Needy 3241, R. Schuebel 1350 and Thomas 1838.

Lieut. May, the fiance of Miss Marie Hofer, well known here, was wounded recently in action in France.

Bell Rings Forth Good News

The news of the signing of the Armistice between the Allies and Germany, which came early Monday morning was not received with the avidity and enthusiasm that met the first announcement last week, due to the fear that it, too, might prove false.

But when the news proved authentic, enthusiasm bubbled over and all the bells in town were rung to proclaim the good news. A number of boys demanded that they be allowed to ring the church bell of the Lutheran church, but the pastor, fearing the enthusiasm and energy of "young Americans" might "break it", rang it himself for a short time. This did not satisfy the youthful patriots, and they later gained entrance to the church and made the old bell peal forth a real American tone, which apparently angered the Lutheran pastor who ordered the ringers to leave the church and premises, and when they did not leave, he appealed to the mayor and threatened to invoke the state law if the boys were not made to leave the church premises.

With his usual suavity Mayor Sadler soon paved the way for an armistice, hostilities ceased and the boys stopped ringing the bell—having used up most of their surplus energy and being well satisfied with the old bell's response to real American enthusiasm. It is not believed that there is a Hun peal left in it.

BONDS ARRIVE HERE

Many of those who purchased Fourth Liberty Loan bonds here will be able to secure them at the Aurora State Bank. Two lots have arrived, one of \$21,800 and one of \$200. The latter amount are bonds belonging to I. A. Miley, whose application for bonds was mislaid and not found until long after the other bonds had been ordered, and even after the time for receiving applications had expired. But the application was forwarded with an explanation of the delay and his bonds were the first ones received. Others are still to come.

Miss Louine Kerr is spending the week with St. Paul friends.

A. H. GIESY THE RELIABLE MERCHANDISE STORE Established 1898
