Watch for Airquakes.
An English astronomer of prominence has advanced the theory that there are airquakes, entirely independent of earthquakes, that are caused by the explosion of meteors in the atmosphere.

NOTICE

Owing to changes being made in the Highway between Aurora and Canby, we are obliged to move a number of our electric light poles. This will necessitate shutting off the light and power for short intervals at this end of the system. We shall make the time of shutting off the light and power as short as possible each day, but it will require several days to do the work. Hence patrons should be patient, and the company will expedite matters as much as possible.—Molalla Electric Company.

Mail your drug orders to Moore's Drug Store, Woodburn.
