Bob Shimmin says he is going to start something pretty quick. He has it in for a certain mud hole on main street. And when a polite young fellow like Bob stops his machine to pick up a popular young lady whose arms are full of parcels—and then gets stuck in a mud hole—well, words can't express all a fellow feels. Bob probably recognizes a sort of an anomalous similitude between deceptive mudholes and sweet femininity.

The Oakland Sensible Six

The lightest Six on the market. Weight 2150 pounds, 44 horse power. The Oakland Sensible Six cars cost LESS TO OWN, OPERATE AND MAINTAIN than any other automobile built.

Owners of Oakland Sensible Sixes constantly report getting 18 to 25 miles to the gallon of gasoline.

Mileages of 8000 per set on tires are usual, while records of 12,000 are not infrequent.

The easy-riding qualities of these cars are the result mainly of the combination of long, slow acting, under slung rear springs and large 32x4 tires.
