

THE AURORA OBSERVER

THURSDAY, NOVEMBER 6, 1919.

N. C. WESCOTT

EDITOR AND PUBLISHER

Entered as second class matter March 28, 1911, at the postoffice at Aurora Oregon, under the Act of March 3, 1879.

The tax roll of Marion county called for the collection of \$1,071,606.55 this year—about \$100,000 more than any previous year. The delinquent taxes amount to \$53,492—about \$11,000 less than last year. The sheriff states that the people have been more prompting and willing to respond than ever before.

Dr. Griffin, superintendent of the state hospital, issues such a rosy report of the results of the operation of the hospital farms (by the patients) that prospective agricultural students are almost tempted to enter that institution rather than O. A. C. The hospital farms produced this season potatoes, apples, oats, wheat and hay worth \$50,327.55.

A letter from Congressman Hawley to the Observer states that the remaining agricultural lands in the Coos Bay and O. and C. railroad grants will not be opened for entry until early spring. This information Mr. Hawley received direct from Clay Tallman, commissioner of the general land office.

While there is little doubt that the Republican party will be returned to power next fall in every branch of the Federal government, it is to be hoped that the Penrose-Old Guard-Stand-Pat faction of the party will not be able to dictate the nomination for president next summer. That would be worse than Poindexterism. The stand-pats and "Reds" in the republican ranks should both be eliminated in the choice of its next presidential candidate.

The department of agriculture advises farmers to place pails of water in convenient places in every barn where they may be used quickly in case of fire, a pail of water being the oldest, simplest and cheapest of fire extinguisher. The chemical extinguishers have come into general use on automobiles and elsewhere about the farm, and have many advantages over the water bucket. It is of special use in subduing fires among oils where water is useless. Farmers will do well to write the Department of Agriculture for its bulletin, "Fire Prevention and Fire Fighting on the Farm." Ask for Farmers' Bulletin 904. It's free.

DEAR MEMBER:

The Third Red Cross Roll Call has begun. It ends November 11, Armistice Day. Heretofore the annual enrollment has been at Christmas time, but this year the date has been advanced one month in order to enable the Red Cross to meet its obligations without a separate appeal for funds.

Except in case of great National or international catastrophe or emergency, the American Red Cross will not again appeal to the people for support, except in the annual Red Cross Roll Call, which will (after this year) come annually at the Christmas season.

The Annual Red Cross Roll Calls will be purely and simply for the enrollment of members—and not at all financial campaigns like the war fund campaigns of the Red Cross. Such campaigns are happily past.

The chief purpose of the Third Red Cross Roll Call is to renew all present memberships in the Red Cross and to secure as many new members as possible.

Annual memberships at One Dollar (\$1.00) is all that is solicited. This is a membership campaign—not a money raising campaign.

The Aurora Auxiliary depends upon its members to renew their memberships voluntarily without further solicitation. Members may renew their memberships by calling at the office of the Aurora Auxiliary treasurer, Zeno Schwab, at the Aurora State Bank; or by remitting to him \$1.00 for each membership desired; or simply by telephoning him a renewal of membership (or memberships) and paying later when in town.

Every membership renewal is an expression of confidence in the American Red Cross and an approval of its great work of mercy. Let us make the Aurora Auxiliary's Third Red Cross Roll Call a 100% renewal.

Yours very sincerely,

B. F. GIESY, Chairman.
DIANA SNYDER, Secretary.
