Come in and Test the New Edison against your emotions

We want to give you Mr. Edison's Realism Test. We want you to decide for yourself whether the New Edison brings you music as you like to hear it.

Think back to the last time you heard a great singer (or instrumentalist). His art made you feel emotions. In those emotions, you found your pleasure.

You want the New Edison to bring you the same emotions. The Realism Test helps you ascertain whether it does. It's a scientific test—fascinating to enjoy. Hear it, and you'll know what a miraculous art the New Edison brings into your home.

Ask about our Budget Plan. It shows you how to organize your dollars on a thrift basis and make easy the purchase of a New Edison.
