Children's Eyes

—Right now, at the beginning of
school, you should make sure
that your child's eyesight is un-
impaired.

—Many a child has found it impossible
to study because of eye trouble.

—Many children are cross and irritable
from the same cause.

—Lack of glasses at this stage may
bring a life-time of eye trouble—
and expense.

—An examination will determine the
exact condition and needs of your
child's eyes and you'll be glad
to know.
