The Aurora Depot now closes at 5 p. m. and no one will be at the station to meet trains after that hour. Neither is the agent now allowed an assistant. The Southern Pacific is reducing its expenses in every way possible—sometimes to the great inconvenience of the public.

It is said that the home-brew brigade nearly cleaned out the Portland stores selling malt syrup, hops, yeast, bottles, caps, etc., last week, when it was made known that prohibition officers intended to crush out home-brewing. Already several grocers have been arrested for selling home-brew materials.

Gus Bock of Silverton has been re-appointed as a member of the board of water commissioners of that city, in spite of his announced refusal to serve. The city council could not agree upon any other candidate, and pressure was brought to bear until Mr. Bock was induced to accept the place. Mr. Bock is a big man—both mentally and physically, and were he not of a retiring disposition and a rather reserved manner, his executive talents would long ago have been recognized in a wider field.

"HELPING MOTHER"

The boy or girl who was willing to "Help Mother" was called a "good boy" or a "good girl."

To-day "Helping Mother" may mean providing her with a new home she has done without these years while farm profits went back into farm improvements.

It may mean the new porch, or an extra window to light up the kitchen, or an additional room, or any of a dozen things which would make her work lighter or her days and nights more pleasant. Whatever it is we shall be glad to be of assistance in "Helping Mother".
