Another Royal Suggestion Griddle Cakes and Waffles

From the NEW ROYAL COOK BOOK

THERE is an art in making flapjack pancakes, griddle cakes or waffles, call them what you will. But it is an art very easily, and quickly acquired if you follow the right recipes. The secret, of course, is Royal Baking Powder.

Griddle Cakes
1½ cups flour
½ teaspoon salt
3 teaspoons Royal Baking Powder
2 eggs
1½ cups milk
1 tablespoon shortening
Mix and sift dry ingredients; add beaten eggs, milk and melted shortening; mix well. Bake immediately on hot griddle.

Waffles
2 cups flour
4 teaspoons Royal Baking Powder
½ teaspoon salt
1½ cups milk
2 eggs
1 tablespoon melted shortening
Sift flour, baking powder and salt together; add milk to yolks of eggs; mix thoroughly and add to dry ingredients; add melted shortening and mix in beaten whites of eggs. Bake in well-greased hot waffle iron until brown. Serve hot with maple syrup. It should take about 1½ minutes to bake each waffle.

W. R. Scheurer was here from Butteville Friday on business. The Observer acknowledges the receipt of a fine 1921 Calendar with the compliments of Mr. Scheurer who deals in hay and grain at Butteville, but who appreciates beauty—whether it be on the calendar, or otherwise. The little girl who is feeding a small pig (both on the calendar), represents a type that only the most discriminating would choose. The Observer tenders its thanks—for the calendar, and the little beauty on it.

Catarrhal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the mucous surfaces. ONE HUNDRED DOLLARS for any case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE. All Druggists 75c. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

The Aurora Bank recently shipped about \$250 worth of pennies to Portland. They had all been received in the ordinary course of business in the last few months. A few years ago about the only place pennies were found was at the post office—and only a few there. But now they are in daily use in about every place of business, which indicates that the west is slowly but surely approaching the eastern basis of doing business.

And you will find how much more satisfaction a little of this Real Tobacco gives you than you ever got from a big chew of the ordinary kind.

The good, rich, real tobacco taste lasts so long you don't need a fresh chew nearly as often. So it costs you less.
