### Our Budget Plan will help you

**COME in!** Let us explain how the Budget Plan goes ahead with that New Edison for Xmas.

It breaks up the payments,—scatters them through 1921,—fits them to your pocketbook.

Besides, you're using an after-the-war dollar to buy a before-the-war value. The New Edison has gone up in price less than 15% since 1914. Mr. Edison has kept prices down by absorbing increased costs himself. You get the benefit.

G. R. Watt made a business trip Saturday to Newberg, Sheridan, Monmouth and Dallas.

Fred Hartman of Salem was here Saturday. He bought the Sandberg place last spring and has now rented to W. Donnegan who will take charge soon.

Mrs. Frank L. Miller returned Thursday from an extended trip thru the East. She visited relatives in Missouri, New Jersey, New York, Detroit and Indiana. She has been away several weeks and had a very interesting and enjoyable trip.

New Sunday hours have been fixed for the S. P. agent here. The agent will be at the office only from 8:30 to 10:30 A.M. The waiting room will be left open during the day. It is assumed that lack of patronage—both freight and passenger—is the cause of the daily early closing and the short Sunday hours, as the station agent is now allowed no assistant.

## "HELPING MOTHER"

The boy or girl who was willing to "Help Mother" was called a "good boy" or a "good girl."

To-day "Helping Mother" may mean providing her with a new home she has done without these years while farm profits went back into farm improvements.

It may mean the new porch, or an extra window to light up the kitchen, or an additional room, or any of a dozen things which would make her work lighter or her days and nights more pleasant.

Whatever it is we shall be glad to be of assistance in "Helping Mother".
