Geo. F. McFarland, manager of the Fargo Orchards Company at Fargo, was here on business last week. He is making preparations to put out loganberries on several orchard tracts from which the trees are being taken, the zero weather of last year having killed many trees. In spite of the prevailing low prices, the orchards company have sold their product at a figure that has netted them a profit.

Catarrhal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. **HALL'S CATARRH MEDICINE** acts through the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces. **ONE HUNDRED DOLLARS** for any case of Catarrhal Deafness that cannot be cured by **HALL'S CATARRH MEDICINE**. All Druggists 75c. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

Different Colors of Paper
Many business men have a system of using different colors of paper for different printed forms, thus distinguishing each form by its color.
We can work this system out for you, using **HAMMERMILL BOND** the Utility Business Paper, and you will find that it saves you time and money.
Let us show you the advantage of standardizing your paper and your printing.
