STOLEN PARAGRAPHS

Many a shabby coat covers an honest quart!
If borrowing is a disease lending is insanity!
Every farmer I know wonders what the town man does with his time.
Don't smoke around a garage. If life is worthless, gasoline is valuable.
The wind is tempered to the shorn lamb, but nothing at all is done for the silk-clad calf.
Modern girls are said to be gaining in physical vigor, but they still shy at the family washing.
Times have changed since we were young—a man isn't old until he is feeble, and a woman is never old!
We have noticed that more notice is taken of one typographical error in the paper than of a whole page that's correct.
Just as Joe Teal was beginning to feel at home with his feet under the Shipping Board pie counter, some smart guy of a Republican passed the tooth picks.

Aurora has one of the best graded schools in Marion county. Let us now exert ourselves to see that she gets one of the best high schools in Oregon. It can be done.

Scarcely a day in summer passed without campers at the Aurora auto camp grounds, and even winter weather does not deter the auto-camper from utilizing its conveniences. Tacoma parties were camped there over Christmas.

Marion county market road bonds are the best security in the world and 5 1/2% interest is not so bad a return upon money invested—considerably better than Morris Bros. "interim certificates". Buy county market road bonds and help to finish the Aurora-Donald road.

One of the most important subjects which should come before the legislature is the regulation of the size, load and speed of motor trucks. The fast moving, heavily loaded trucks operating on the state highway are damaging the roads more than all other forms of traffic combined.

Nothing touches the heart like the appeal of suffering childhood. Witness the funds that come rolling in all over this broad land for the European children's relief fund. It makes no difference to America whether they be the children of friends or former foes. They are just innocent children that need food and clothing—and America will help them get it.

"Try It Out Yourself"
says the Good Judge

And you will find how much more satisfaction a little of this Real Tobacco gives you than you ever got from a big chew of the ordinary kind.
The good, rich, real tobacco taste lasts so long you don't need a fresh chew nearly as often. So it costs you less.
Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles
W-B-CUT is a long fine-cut tobacco
RIGHT CUT is a short-cut tobacco
