**TEMPER IS A BAD BOSS**  
Even prizefighters have to learn to control their tempers before they can hope to win.  
If you have ever seen an angry child strike blindly at another you will understand how your own mind operates.  
Generals who win battles never get angry. They know that anger prevents intelligent planning and intelligent action.  
Suppose a subordinate makes a stupid mistake. Getting into a temper and abusing him will not help him any, and it will put you off your work.  
An angry man can never do anything worth while. His brain is so filled with the vapors of his wrath that it is impossible to think clearly.  
Temper is the worst possible master. It has kept many naturally bright and capable men from success. If it is in control in your mental shop, get rid of it. You will never amount to anything until you do.—John Blake in Chicago Daily News.

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces. ONE HUNDRED DOLLARS for any case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE. All Druggists 75c. Circulars free. F. J. Cheney & Co., Toledo, Ohio.
