ECSTASY IN THE SALESROOM

Goaded "Prospect" Finally Forced, in Self-Defense, to Rise to the Occasion Himself.

"But this is such a sweet little model, honey. Perfect on you. Look at the quality of this daveytn, dearie. Now, honey, did you ever see such lines?"

There may have been heroes of grand opera who could make love with the fluency and intensity of a salesgirl drawing near to a sale, but no expert exists whose ardor can thus flame when the actual moment of decision between the higher and the lower comes, writes Marian Storm in the New York Evening Post.

"Lots of little girls that buy these little suits just leave off their little blouses and wear them like little one-piece dresses. Now, this little style, dearie, was made for you. Look, honey, not a wrinkle in back. Isn't it lovely on her?"—appeals to another enraptured creature—"Isn't she just the little girl to wear this little model? Of course, not every one can wear this little suit, dearie. It takes a figure, honey. Just like you've got. I wear the same suit myself.

"Dearie, in two weeks you couldn't buy this little suit for half the price again. Isn't it lovely on her? I said, honey, when you came in: 'There's the girl that can wear that little special we got today.' Now turn around, dear. You won't have to do a thing to it. Length—just right, honey. Catarrhal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces.

ONE HUNDRED DOLLARS for any case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE.
