This is the season of the year when everyone should look after his insurance policies and see that none expire without being renewed.

The number of automobiles stolen and burned; and large number of auto accidents, cause us to think of our automobile insurance.

We write all kinds of fire insurance in old reliable companies. We also write auto fire and theft insurance, collision, property damage, and personal liability insurance.

CAN YOU IMAGINE?

—Can you imagine a large metropolitan 10-story mercantile concern using a 2x4 standing card reading "JOHN SMITH & CO.—DRY GOODS and SHOES. We solicit your patronage"? Can you imagine this?

—Can you imagine such a concern to even have to be begged for such an ornery, little, god-for-nothing ad like this? Can you imagine it?

—Can you imagine this kind of an organization saying: "Oh, everyone knows who we are and where we are. We don't need to advertise"? Can you imagine it?

—Can you imagine such a gigantic business declaring they had tried advertising with these 2x4 cards and that the results proved advertising was no good? Can you imagine such a thing?

—Can you imagine these big city fellows putting \$5 or \$10 per month into advertising "just to help the newspaper out"? We say—can you imagine it?

If you can't—why expect such methods to succeed in smaller communities? Your people are just as intelligent and you have a Newspaper which covers your trading territory just as thoroughly. The only thing you lack is the "get-busy-and-ad" spirit that it takes to do anything really big.

Taken from an exchange—more truth than poetry.

A TIP TO OUR FOLKS

It is hard work to get folks in most communities to pass the news along to the editor of the home paper. S. A. Mellen, of the Plymouth, Wis., Reporter, tried an unusual slant the other day to stimulate "contribs." Here it is:

HAS ANY ONE
Died — Eked — Lived — Left town — Embezzled — Had a fire — Had a baby — Had a pa. — Sold farm — Been arrested — Come town — Had twins or colic — Sold cow or lost an auto — Stolen a dog, or his friend's wife — Committed suicide — or murder — Fallen from an airplane — Fallen into a well — Fallen into a legacy?

Well, then, THAT'S NEWS "THE REPORTER"

We make your troubles known. The newspaper is the best community asset there is. It is the thing that makes for the solidarity of its population; it advertises the town and its interests elsewhere; it boosts the town in a variety of ways and never stops. And then it provides news interests and entertainment for great numbers of the people of the community.

If the people of a town care anything about greater and greater results of their property and interests through this medium of publicity, it is up to them to help the publisher make a constantly better paper.

If you have news, as outlined above by Brother Mellen, give it to us!

"NOW-A-DAYS" says the Good Judge

A man can get a heap more satisfaction from a small chew of this class of tobacco, than he ever could get from a big chew of the old kind.

He finds it costs less, too. The good tobacco taste lasts so much longer he doesn't need to have a fresh chew nearly as often.

Any man who uses the Real Tobacco Chew will tell you that.
