

A Good Creed

I believe in boosting every worthwhile movement.
I believe in the future of our city and will do all in my power to help it on.
I believe that the interests of our city are bigger than my own interests.
I believe that a town that's good enough to earn my money in, is good enough for me to spend my money in.
I believe in the integrity and good intent of my fellow citizens.
I believe in being big enough to concede to the other fellow that which I may desire for myself, and thereby promote harmony and the well being of our city.
I believe we can make our city bigger, better and more beautiful if I do my part.
I believe that loyalty to my city, as to my country, is a symbol of patriotic citizenship.
I believe in making my hands perform that which my lips promise.
I believe that my citizenship requires that I be earnest, honest and energetic in the performance of my private and public duties.

Soldier's Body Sent Home

Bodies of 14 war heroes arrived in Portland today. These heroes are boys from Oregon and Washington killed in action, and among them is Fred Ehlen Co. C. 27th. Inf. of Aurora. Fred Ehlen was the son of Mr. and Mrs. H. C. Ehlen just west of Aurora. He was wounded in action, recovered and wounded again from which he died shortly, after in an army hospital at the front. He was 23 years old.

We are still hoping that every Aurora citizen who drives an automobile remembers that at a railroad crossing it is always polite to give the railroad engine the right-of-way.

OPPORTUNITY

Aurora wants and needs a jeweler, a real estate agency, a cannery, a lumber yard, and it wouldn't hurt if we had a live Commercial club.

The Aurora man who has cabbage growing in his garden is sure of one thing—he can always get ahead.

JUST A LITTLE JOURNEY

Last Friday Elmer M. Golder, wife and three children and C. W. Chamberlain, brother of Mrs. Golder, motored to Clatskanie, Oregon, 64 miles down the Columbia river from Portland, toward the coast and were guests of Mr. and Mrs. Henry Helgeson, who have resided there for two or three years and were former residents of Montana, where Golder and Mr. and Mrs. Helgeson used to ride over the hills of Montana's big country of Teton inhaling the fresh morning air while the cattle and horses picked their breakfasts on the hillsides and in the ravines and the "Ten team freight trains" moved steadily onward to far-off destinations after a breakfast from the "cook car."

While at Clatskanie Mr. Golder made the acquaintance of W. E. Conyers, who is 65 years old and now lives in a large house, situated just a quarter of a mile from the spot where he was born. Mr. Conyers does not look to be more than 45 years of age, but his young appearance is not owing to lack of hard work, for this gentleman has done a lot of that. He has farmed most of the time in the last 47 years and has been active in public affairs, having held several important offices. Mr. Conyers has put more men on farms in that vicinity than any other man, having dealt some in real estate. His father, E. W. Conyers, is now 95 years old and is quite spry. He lives across the road from his son's place in the west part of town.

On Sunday the Helgesons were treated to a car ride to Westport, 15 miles further down the river on the Columbia Highway. The route is very scenic. Mr. and Mrs. Golder and children returned Monday at 3:45 P. M.

The two campers used to camp on the banks of the Pudding river here at Aurora years ago when on their way to Salem by team.

-CANBY NEWS-

By Elmer M. Golder

Carl Long, of Milwaukie, Clackamas county's speed cop, has borrowed John W. Dozier's Harley-Davidson motorcycle, because it is very speedy. John will not likely let him keep it more than a month.

Lester Mullins purchased a new Harley-Davidson motorcycle from Earl Hutchinson, of the Newberg Cycle company, of Newberg, last week, and is actually "living" on that machine. Earl is a brother of Allen Hutchinson of Canby.

Mrs. J. H. Dozier, who has been ill a good deal of late is now feeling much improved and is looking better.

Eugene No. 2 Airplane landed in Chris Kraft's field at Canby Tuesday, and some of the folks in the east part of town said that he tried to see how close he could come to some of the chimneys.

Mrs. A. J. Deere and children left Wednesday morning for Cottage Grove, Oregon, to spend a week visiting relatives and friends.

C. W. Chamberlain, of the Lents district of Portland, is spending this week at the home of his sister, Mrs. E. M. Golder.

When in Clatskanie over the week and the writer called upon Mr. Priest, jeweler, formerly of Canby. Mr. and Mrs. Priest handle the business together and report business being very good there this year. They wish to extend to the people of Canby and Aurora their very best wishes. When they were in business here they controlled a good share of the jewelry business for ten or fifteen miles around. Mrs. Priest says she is getting lonesome for the old familiar ground around the Willamette, the Molalla and the Pudding and for the friends of Canby and Aurora.

Who is the public service commissioner, and whom do they represent? (We know.)

Mayor W. S. Maple and family returned last Saturday from Newport, where they spent their vacation.

Whenever you go to Portland, do not cross the bridge at Oregon City and attempt to go on the west side via Oswego, unless you want one of the most terrible detours you ever experienced. There are about two miles of the real bad stuff. Better go the long way, if you can. They are "fixing" the road.

Gravel has been hauled and scattered on the highway in this town and certainly it has settled the dust considerably. Never mind, it won't be long till you'll have a nice smooth pavement to run over.

Next week we want a nice big bunch of news items for Canby. If any of you know of any little happenings, just tell this stuff to Mr. Golder and he'll make news out of it. People for miles around are anxious to read Canby news.
