Great Leaders

Marshal Foch

Leader of the Allied Armies

WHEN the Allies combined the strength of all their armies under one command they won the war.

BRUNSWICK TIRES

Are a composite of all the best principles of tire building. Every detail of construction has been carefully worked out and tested before it goes into the tire. No material, no method is accepted in Brunswick Tire factories until its value has been proved by actual tests.

Try Brunswick Tires. Keep your own record of their mileage. Judge them by results. You will be content to use them always.
