

The best little Business town in Oregon—Aurora. The best located town in Oregon without a single question—Aurora. Midway between the two largest cities in Oregon, far enough from each. On the paved highway, on the main line of the Southern Pacific railway. A town with modern improvements, with the best soil on earth, fruit, vegetables, flowers, hay, hops and grain. The most contented people, prosperous people, progressive people, home people. Everybody is busy, everybody employed. Aurora needs a jeweler, a real estate agency, a picture show, a cannery, more people and more houses.
