An amendment to the county salary law made by the legislature of 1921 does not provide for the payment of any additional fees and expenses, for county officers, according to an opinion written by Attorney-General Van Winkle for District Attorney Keator of Umatilla county. The opinion says the amendment was intended to provide only that whatever traveling exnenses were otherwise provided by the law should be audited and paid by the county court in the same manner as provided for the salaries of the of-

Dr. R. M. Brumfield is sleeping in solitary confinement behind doubly locked and chained doors as a result of the attempted break from the Douglas county jail. Brumfield's bed was moved from the main cell of the jail into one of the individual cells, and although he has the privilege and comfort of the main cage in the day time he is locked into one of the small cells at night and the door chained and padlocked in addition to the regular lock. J. R. Balliet, alleged forger, who said he was the sole perpetrator of the attempted jail break, also is kept in solitary confinement at night and every precaution is being taken to prevent a recurrence of the affair.
