Mr. O. L. Parrott, 3319 East 49th St. S. E., Portland, Oregon, Writes:

For two years I had suffered from a severe case of stomach trouble, lumbago and rheuma-tism. After meals I suffered such pains in the pit of my stomach I could hardly stand it and sometimes got so bad off I just had to lle down. My strength all left me, I didn't seem to have a particle of energy and I could never get a good night's sleep. I always felt so tired and worn out I could hardly stay up.

I just suffered agony from lumbago when I stooped over and my arms and knees, in fact all of my joints hurt so badly at times I could hardly walk and my arms got so stiff and ached so badly that I could hardly raise my hands to comb my hair.

Well, I kept on reading about BARK ROOT TONIC, how it would assist Nature and build up your system, until I finally decided to try it, and it certainly proved to be a lucky decision for me

Why it was almost no time after I started taking BARK ROOT TONIC until I was much improved, and after taking my fourth bottle I can say that it has put me in fine health again.

BARK ROOT TONIC A Mild Laxative; A System Builder

Constipation is the cause of most all ailments. If your system is in a weakened condition through constipation, showing that Nature has lost its hold, let a good Tonic such as BARK ROOT TONIC assist Nature and restore your good health.
