VALUE OF CREDIT

A Checking account is the first step toward establishing credit with a bank

And credit today is a real asset. Yet is what you make it. The right credit at the right time, at the right bank may be worth more to you than a batch of letters presented by you as a stranger.

We seek growing accounts of growing business men—men who will come to us for advice, and who will want the friendship of a strong bank when credit is needed.

This bank will be glad to meet you and serve you. It is a pleasure, as well as good business to have young men grow with us.

1 egg and 1 yolk
2 1/2 cups flour
4 teaspoons Royal Baking Powder
1 cup milk
1 1/2 squares (1 1/2 ozs.) of unsweetened chocolate (melted)
1/4 teaspoon salt

Cream shortening. Add sugar and grated orange rind. Add beaten egg yolks. Sift together flour, salt and Royal Baking Powder and add alternately with the milk, lastly fold in one beaten egg white. Divide batter into two parts. To one part add the chocolate. Put by tablespoonsful, alternating dark and light batter, into three greased layer cake pans. Bake in moderate oven 20 minutes.

FILLING AND ICING

3 tablespoons melted butter
3 cups confectioner's sugar
(Powdered sugar may be used but does not make as smooth icing)
Grated rind of 1/2 orange and pulp of 1 orange

2 tablespoons orange juice
1 egg white
3 squares (3 ozs.) unsweetened chocolate
Put butter, sugar, orange juice and rind into bowl. Cut pulp from orange, removing skin and seeds, and add. Beat all together until smooth. Fold in beaten egg white. Spread this icing on layer used for top of cake. While icing is soft, sprinkle with unsweetened chocolate shaved in fine pieces with sharp knife (use 1/2 square). To remaining icing add 2 1/2 squares unsweetened chocolate which has been melted. Spread this thickly between layers and on sides of cake.
