

## You Like Health

SALEM MEET TO DISCUSS IT

A mass meeting will be held Saturday June 3, at 1:30 P. M., in the First M. E. Church of Salem. At this time, it is expected that those interested will form an organization known as the "Marion County Public Health Association".

With the desire to have their county keep abreast of other counties in the better health movement, many Marion County citizens felt that an association should be formed similar to that existing in 17 other Oregon counties.

In this way, there is made possible the uniting for concerted action of those who are vitally interested in the promotion of health measures. Throughout the entire world, people are awakening to the necessity and desirability of safeguarding health.

There is much talk of economy, and we know that sickness is a source of great individual expense. Millions of people are beginning to pride them-

selves on keeping in the "pink of condition."

It will be the purpose of the new organization to promote health ideals, to better health conditions, to work in many ways for the increasing of knowledge of correct living, to disseminate literature concerning disease prevention, to hold baby clinics, tuberculosis clinics, to secure specialists to talk on specific health problems, and eventually, when conditions warrant, to take steps toward securing and keeping a county public health nurse.

Every December, when Christmas seals are sold, the county association will retain a percentage of the proceeds, which insures several hundred dollars for local use.

Everyone wanting such an organization should feel his responsibility to the extent that he attend the meeting and contribute of his enthusiasm and co-operation.

## TAKE YOUR BASKET

Next Sunday, for a restful day, take your lunch and magazines and visit the new Aurora City Park. It is the making of one of the best little City Parks in the state. More clearing is needed; some tables, benches, swings, stove and above all, a water hydrant is needed. Then we can all be justly proud of it. A half dozen signs should be put up now, directing the way to the grounds just south of where the Highway turns. A fine place too, for a celebration.

University of Oregon, May 24. (Special)—Commencement this year at the University of Oregon will be held from June 15 to June 19, and in connection with the graduating exercises there will be reunions of the classes of 1882, 1897, 1912 and 1917.

The graduating class this year will be the largest in the history of the University and will include about 230 students.

Mrs. Clark, a teacher in the High School at Canby and Miss Beatt, teacher in the grade school there, attended the May Day exercises given here last Friday. They were very well pleased with the work and complimented our teachers highly.
