Paint up, clean up, keep it up. We have the prettiest little town in the valley. Let us keep our reputation. Those sign boards pointing to the new auto camp ground are not up yet; neither is any water at the pump. A stove, too, is minus, and a table we recently helped to buy for the purpose. A 9 x 10 kitchen, covered and enclosed on one and a half side, built for the stove at a cost of \$10. Two of them for \$20.
