

John D. Rockefeller

attributes his success to the fact that he always made the other fellow put his proposition down in *Black and White*.

That's what the merchants of this town are doing for you. Their advertisements speak for themselves in *black and white*. And what they put down in *black and white* they stand back of.

They want your business. Their advertisements are an invitation to do business with them.

That's why they advertise, and the wise housekeeper never does her shopping nowadays until she has read the advertisements and posted herself on prices.

Is there an easier or better way of saving money? It only requires a few minutes of your time to scan the advertisements.

The Boy Scout's motto is "Be Prepared."

That's what every housewife should be when she goes out to market.

Read the advertisements and you will not only save many times the cost of the subscription to this paper, but you will save many dollars to add to your bank account.

Reading advertisements in this paper is profitable reading. Try it for a month and check up the pennies you will save. That's another Rockefeller maxim: "Save your pennies and the dollars will take care of themselves."

There are hundreds of pennies to be saved by reading the advertisements in this paper every issue.

Mystery Tied with Red Tape

The time has long passed when a bank was surrounded with so much mystery and red tape that customers felt ill at ease every time they went to the bank to transact business.

Today the progressive bank is a FRIENDLY INSTITUTION—designed to give service cheerfully and as a BUSINESS DUTY rather than as a favor.

At least, that is how this bank regards it.

Perhaps that is one of the good reasons why so many refer to this bank as "my bank" based on the spirit of friendliness and cooperation they encounter whenever they call. Perhaps, too, it is another reason why people like to save where they think they are welcome, and where, in addition, they know their money is absolutely safe. Whether you wish to open a savings or checking account, or wish to transact business in one of the other departments of this bank, you will appreciate this spirit of friendliness which we believe is good business.
