EDITORIAL Opinions of the Observer

No issue before the people at the coming election is of such momentous importance to the people of this state as the repeal of the income tax law. We feel very strongly the importance of doing away with this iniquitous piece of legislation. We maintain that in its present status it is certainly injurious to the best interests of business throughout the state. We will gladly indorse an income tax law to displace all other forms of taxation, making the tax sufficient to cover the expenses of government and extensive enough to reach all who should pay taxes, but experience has shown that a variety of taxation schemes does not work for the reduction of taxes, but, on the contrary, offers a fertile field for the juggling of funds, an added payroll, and more expensive cars for official joy rides.

ELECTION NOTICE

Notice is hereby given that on Tuesday, November 4, 1924, the Regular Election for the City of Aurora, Oregon, will be held in I.

O. O. F. Hall, for the election of a Mayor, four Councilmen and Treasurer. Also at said election there will be submitted to the legal voters of said City, for their approval or rejection, the levying of a special tax, amounting to Five Hundred Dollars (\$500.00), for the purpose of reducing the City's indebtedness.

The following persons have been appointed to conduct the election: A. H. Will, Geo. Yergen and Mrs. S. A. Miller, Judges; Emma J. Snyder and Rose Miller, Clerks.

Polls open from 1 p. m. to 7 p. m.

"Cheshire Cat" Grin Various Explained

The expression, "to grin like a Cheshire cat," has never been satisfactorily accounted for. It was popularized by Lewis Carroll in his "Adventures of Alice in Wonderland." In this pretty story the Cheshire cat is a grinning cat which makes its appearance to give Alice advice. The first time the cat suddenly disappears. But after considerable persuasion by Alice the cat returns and then disappears gradually and almost imperceptibly. The last thing to vanish was the grin, says the Detroit News.

It is said that cheese originally made in Cheshire, England, was molded into forms like a grinning cat. The word "Cheshire" is pronounced "Chesh-ir," with the accent on the first syllable and the "i" short as in "irritate." There is also a humorous explanation of this phrase. "Cheshire is one of those counties in England known as counties palatine—that is, the count or earl has certain royal privileges. This idea, it is said, is so funny to the cats in that region that they are perpetually amused at it. A person who shows his teeth when he laughs is said "to grin like a Cheshire cat." The expression is especially applied to a forced or sneering smile.

Don't Let the Whole Country Laugh at Oregon's Freak Legislation!

People of Oregon--Why must you be bothered each election year to vote on measures that you have given definite assertion you do not want?

You decisively defeated one "Anti-Margarine" bill just four years ago by practically a 2 to 1 vote.

They are trying to hand out the same old "chestnut" again.

It is Class Legislation -- an attempted Monopoly.

Unnecessary Legislation

The Dairy Industry is prospering.

Only a small portion (less than 30 percent) of total milk production is used in the manufacture of butter.

Consumer should have the right to choose his food as well as his clothes.

Oleomargarine is clean, sanitary, healthful. Manufacture of Oleomargarine is supervised by Federal Government. You know exactly what you are buying. Do not let selfish interests dictate your food.

Grant Never Said Much, But He Stuck to His Job —So Does Coolidge

Performances Are Better Than Promises—
Don't Trade Realities for Uncertainty

Our country is in safe hands today—why change? Conditions are sound and wages higher than they have ever been. Why not let well enough alone?

Excessive tax burdens have been lifted by Coolidge and his party. More than 4,000,000 heads of families were helped by the 25 per cent cut in income taxes.

Nuisance taxes were removed. There is no longer a tax on automobiles costing less than \$1000, nor on any theater tickets costing less than 50 cents.

"I WANT THE PEOPLE TO WORK LESS FOR THE GOVERNMENT AND MORE FOR THEMSELVES"—COOLIDGE

The administration passed three revenue acts slashing taxes. The latest one alone saved the people more than \$400,000,000 a year, or almost \$4 for every man, woman and child in America.

The people are being saved \$6,000,000 daily in taxes as compared with 1921. The cost of government has been cut that much. The national debt has been reduced \$2,750,000,000 in three years. Waste of public money has been stopped and billions saved to the people. There is a treasury surplus that will justify another cut in income taxes.

PROSPERITY IS SWEEPING OVER THE COUNTRY WITH A RISING TIDE

When this administration took office, there were bread lines, unemployment and general distress. All this has been changed. Unemployment has been wiped out and prosperity restored. Liberty bonds, that sold then around 86, are worth more than par today.

Just as the Dawes budget fixed a policy of domestic economy, the Dawes plan gave the world new hope. German finances and credit are restored. She is again buying American wheat and the price has turned sharply upward.

The Dawes plan is a stroke of genius. It is the greatest peace measure since the armistice. It opens the way to the restoration of Europe and restores great markets for American goods and farm products. It assures the United States of payment of war debts owed by foreign nations.

THESE ARE HONEST, SOUND, SENSIBLE CONSTRUCTIVE ACCOMPLISHMENTS

Don't be misled by wild promises or wilder charges by the outs. Vote November 4 for the constitution and your own best interests. Vote for a government of common sense.

A Test Every Man Past 40 Should Make

Medical authorities agree that 65 per cent of all men past middle age (many much younger) are afflicted with a disorder of the prostate gland. Aches in feet, legs and back, frequent night risings, sciatic pains, are some of the signs—and now a member of the American Association for the Advancement of Science has written a remarkably interesting Free Book that tells of other symptoms and just what they mean. No longer should a man approaching or past the prime of life be content to regard these pains and conditions as inevitable signs of approaching age. Already more than 10,000 men have used the amazing method described in this book to restore their youthful health and vigor, and to restore the prostate gland to its proper functioning. Send immediately for this book. If you will mail your request to the Electro Thermal Company, 637 Knapp Bldg., Steubenville, Ohio, the concern that is distributing this book for the author, it will be sent to you absolutely free without obligation. Simply send name and address. But don't delay, for the edition of this book is limited.
