OUT AND OUT

"There's a creditor without, sir."
"Well, he'll have to go without."

Went Haywire

A young aviation officer stationed somewhere in Egypt was flying near the Great Pyramid, carrying out exercises in navigation and discovering his geographical position with a sextant. After a series of involved calculations, he turned suddenly to his pilot and said, "Take your hat off!" "Why?" asked the pilot. "Because, according to my calculations, we are now inside St. Paul's cathedral."—Atlanta Constitution.

Another Problem

A farmer visited his son's college. Watching students in a chemistry class, he was told they were looking for a universal solvent. "What's that?" asked the farmer. "A liquid that will dissolve anything." "That's a great idea," agreed the farmer. "When you find it, what are you going to keep it in?"—Everybody's Weekly.

Definite Proof

Teacher—Johnny, who was Anne Boleyn?
Johnny—Anne Boleyn was a flat iron.

Teacher—What on earth do you mean?
Johnny—Well, it says here in the history book, "Henry, having disposed of Catherine, pressed his suit with Anne Boleyn."—Santa Fe Magazine.

Helping Himself

"This is pie for me," said the golfer, as he gloated over a perfect lie. "Yes, I noticed you've had several slices," replied his opponent.—London Opinion.

THE SCOUNDREL!

"Jack told me I was so interesting and so beautiful."
"And yet you'll trust yourself for life with a man who begins deceiving you even during his courtship."

Sincere

"Are you a clock watcher?" asked the employer of the candidate for a job.

"No, I don't like inside work," replied the applicant, without heat. "I'm a whistle listener."—Troy (N. Y.) Times-Record.

Boarding-house Mistress—What part of the chicken do you wish?
Freshman—Some of the meat, please.—Pathfinder Magazine.

Something About a New Broom—and a New House Dress!

PATTERN No. 1787-B

A house dress, after all, is a house dress—yet it needn't be "just another house dress," as convincingly demonstrated in this unusually trim and clever design. The V neck front and back is made in a contrasting material and emphasized by the effective use of bright buttons. The short and comfortable set-in sleeves are finished with pointed cuffs, also in contrast and button trimmed. The blouse is gathered to the skirt under a self-fabric belt, and the skirt features a full-length front panel with novel pockets achieved by the distinctive cut of the side pieces. These pieces, pointed and button trimmed, harmonize with the motif used in the collar and cuffs, and there are kick pleats in the front necessary for active household duties.

Choose your favorite cotton—percale, gingham, chambray, or pique—in your most becoming color and make it up in an hour or two.

Barbara Bell Pattern No. 1787-B is available in sizes 14, 16, 18, 20, 40, 42 and 44. Corresponding bust measurements 32, 34, 36, 38, 40, 42 and 44. Size 16 (34) requires 3 3/4 yards of 35 inch material, and 1/2 yard contrasting. Every Barbara Bell Pattern includes an illustrated instruction guide which is easy to understand.

A Sharp Lot, Down Maine
"Gimme an all-day sucker," the lad demanded of the candy man. He was handed one. "Looks kind of small," remarked the youth looking at it doubtfully. "Yeah, the days are shorter."—Portland Express

Blood Donors Unsought in Russia; Life Fluid Canned

In Russia, hospitals are dispensing with the need of summoning a voluntary blood donor when cases of urgent blood transfusion arise. Instead, the patient is given a dose of this vital effusion out of a tin! Supplies of blood of all grades are stocked in glass containers, kept under refrigeration. Ruthless analysis ensures the purity of each can, so there is no danger, as in the case of direct man-to-man transfusions, of noxious germs being transferred in the process.

Doctors in outlying districts requiring a transfusion have now only to communicate the specific qualities of their patient's blood to a hospital, and a tin of the same caliber is dispatched immediately. In winter, some consignments have been landed over snow-bound areas by parachute.

From Your Doctor if the "Pain" Remedy You Take Is Safe.

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.
