The council accepted the plans as submitted for a standard type of septic tank, for the town of Beaverton, subject to the approval of the state sanitary engineer. The city attorney was instructed to embody it in ordinance No. 115.

County Third In Club Work

County Superintendent Emma Bryant and Helen Cowgill, of Corvallis, assistant state club leader, visited last week 50 of the 105 boys and girls clubs in Washington county. Friday a visit was made to Laurel where the committee was met by a large number of citizens and dinner was served in the Community house. The children sang a club song written by F. L. Brown, which will be rewritten so as to be sung in any part of the county. Washington county has a membership of 1000 boys and girls, being third in the number of boys and girls clubs in the state.

Beaverton H. School Notes.

The most important thing connected with school at present is the senior play, "All-of-a-Sudden Peggy." Enthusiasm has been running high and everyone is excited over the prospect of seeing it. It is one of the best plays ever presented in the high school and has a well-selected cast. The characters have been doing all in their power to make it a success, which it undoubtedly will be. Come one—come all—to the high school, April 7 and 8.

Another event of interest is the interclass track meet which is to be held the last two periods Friday, April 7. At this time the classes will contest for the pennant which now hangs on the assembly wall. Last year the class of '27 won it and two years previous it was won by the class of '25. Everyone is doing his best to help his class and no one knows what the result will be.

One of the saddest events of the year occurred Friday, April 1, when Miss Virginia Sibley, secretary of the class of '28, met her death in an automobile accident in front of her home. Just after getting off the school bus she was struck by a car, and remained unconscious until her death Saturday afternoon. The funeral was held Monday, April 4 in the Methodist church at Tigard. Many students from the high school were present. There were many beautiful wreaths and sprays of flowers. The interment was held at the Crescent Grove cemetery, near Tigard. Virginia was a popular girl in the school because of her sunny disposition and clever sayings and everyone mourns her death.

An assembly was held at the high school Monday and the students and faculty raised \$23 for flowers for the Sibley funeral. The Junior and Senior classes also sent flowers.

The annual high school exhibit of work done in the different classes will be held Thursday evening from 6:30 to 8 p. m. and will be open all day Friday. This exhibit is free and parents and friends are urged to be present. From 6:30 to 8 p. m. on Thursday and Friday there will be students in attendance to show the exhibits and answer questions.

New Flag Pole To Be Erected at Hillsboro

A new flag pole will be erected on the plaza east of the court house at Hillsboro soon. It will be 100 feet tall and will have a concrete base covering six feet. The flag will be 12x14. The old flag staff on the tower of the court house was greatly in need of repair and because of the age of the pole it was not deemed safe to repair it.

Pleasant Evening Spent At The Thynng Home

Five Hundred was enjoyed at the home of Mr. and Mrs. George Thynng Thursday evening. A delicious luncheon was served. Those present were: Mr. and Mrs. J. H. Raynard, Mr. and Mrs. Guy Alexander and daughter Evelyn, and Dr. and Mrs. R. S. Welsh.

BURGLARS FAIL TO CRACK SAFE

Beaverton High School Is Broken Into For The Third Time

HANDLE BROKEN OFF

Safe Was Not Opened, But Was Moved Four Feet—Work of Strong Boys.

Thieves attempted, for the third time, to open the safe in Principal I. R. Metzler's office in the high school early Friday morning. They broke a glass in the window by the furnace room and went upstairs to the principal's room. The filing cabinet had been moved, the desk pushed against the wall and the safe moved four feet out from the corner and the handle knocked off. In an ordinary safe this would have knocked the tumbler down and they could have opened the door, but the Norris safe has a collar on it and so the combination could not be learned.

Experts from Portland had to be called to repair the safe handle and put in a new core.

J. B. Kamberger, deputy sheriff, was called, but could not find any clues.

Entertainment Greatly Enjoyed.

The recital given by Evangelist Billy Baird on Monday evening, April 4, at the Church of Christ, was highly enjoyed by a large and appreciative audience. Those present were loud in their praise of Mr. Baird's ability as an entertainer. His impersonation is remarkable. He makes you laugh and he makes you cry. We hope that at some future time he will be able to give another evening's entertainment to the people of Beaverton.

Oregon Telephone Co. To Issue New Directory Soon

Work has begun on the compilation for a new telephone directory for the Oregon Telephone company, and it is expected that delivery will be made about May 1.

The task of compiling a complete directory involves considerable detailed work and preparation of copy, double checking of proofs and distribution of the completed book will require a full month, it is estimated.

Consolidation of several telephone properties in this section of the state has made it possible for the company to issue one directory including Forest Grove, Banks, Cornelius, Gales Creek, Vernonia, Hillsboro, Beaverton, Scholls, Tigard and Stafford.

Publication of a consolidated directory will make it possible for customers to have available in a convenient sized book, a list of all telephone users in the surrounding territory. This will also result in a more efficient use of long distance facilities, according to officials of the company, since the customers can easily look up the correct telephone number of the party to be called and give this information when placing a call.
