**CHURCH OF CHRIST, MAY 29**  
Owing to the graduation exercises to be held at the Eugene Bible University next week end, the regular minister of the Church of Christ will not be present. There will be a splendid program given in the morning, however, when the whole service will be in charge of home talent. There will be the regular Bible School session at 9:45 followed by the communion services and one or two short speeches. It is desired that those who can should bring flowers. The memorial day idea will be stressed and the flowers are to be used in memory of the dead, afterwards. There will be no services in the evening, at the Church of Christ, owing to the union Memorial Day services to be held at the Congregational Church. Those who can do so are urged to attend. We wish to take this opportunity to announce Home Coming Day at the Church of Christ, on June 5. That will be the birth day of the church, and we are planning for a great time. It is hoped that every member and friend of the church may be present. A basket dinner will be enjoyed in the church basement, after the morning services. Come prepared for this great fellowship dinner. If, however, you cannot stay for the dinner, attend the services just the same.

#### NEW CITIZEN

To Mr. and Mrs. W. L. Van Horn, May 12, a daughter.

#### Father and His Sons Run Meat Markets

It is an unusual event to hear that a father and five sons are able, successfully, to run a chain of four meat markets, but Mr. Richard is the proud father of these young men.

Lee and Re Richard manage the Richard Cash Meat Market at Forest Grove, C. J. looks after the Aloha Market, and Tuesday another meat market was added to the string when R. J. opened a new up-to-date meat market on Alberta Street, Portland. E. J. Richard, another son, does the buying for all the stores.

The home life of the Richards' is an ideal one, every Sunday the boys and their wives gather at the home of the parents and enjoy a happy family reunion.

#### WONDERFUL FUTURE FOR OREGON IS SEEN BY PROFESSOR

In an article by M. K. Wisheart in the June number of the American magazine, Dr. J. Russell Smith, professor of economic geography at Columbia university, New York, is quoted as predicting a "wonderful future" for the Oregon country because of ideal climatic conditions. Dr. Smith said that Oregon's winter temperature is just right for a maximum of mental activity and that its summer temperature assures a maximum of physical activity. Dr. Smith said that he expects that American civilization will reach its maximum development in the Pacific Northwest.—Journal.

Mr. and Mrs. Ray Syverson, Longview, Washington, were dinner guests of Mr. and Mrs. Frances Livermore Friday. They came to attend the graduation exercises of Beaverton High School.
