SEVENTEENTH ANNUAL LIVESTOCK EXPOSITION

Prizes Offered in Various Departments, Nearly \$100,000

OCTOBER 29 to NOV. 1

Railroads are Making Rate of Fare and One Third for Round Trip

The premium list of the seveneenth annual Pacific International Livestock Exposition, to be held at Portland, Oct. 29th to Nov. 5th, inclusive, is now being distributed. Extra copies may be had from General Manager O. M. Plummer, 213 N. W. Bank Bldg., Portland, Ore.

The total amount of cash prizes offered in all the various departments approximated \$100,000 and is divided about as follows: \$11,000 in the beef division, to which the breed association from the various parts of the country have added \$7,000; the dairy department \$11,800 in addition to about \$2,000 by the breed associations; the sheep classification carries \$6,500 of our money and about \$2,000 additional of breed association money; the draft horse class \$3,750; the fat classes, roughly around \$5,000; in the Horse Show department, which is second to none in the country, \$12,500 of Pacific International money and \$22,500 in stakes and in entry fees, making a total of roughly \$35,000 for the Horse Show, which again leads the world. In the Land products department \$4,500; dairy products show about \$1,000; for Boys and Girl club work \$5,000; judging contests of various kinds, \$3,250.

There will also be a divisional Fox Breeders Association with prizes aggregating several thousand dollars given by the association itself. The district this year will probably comprise Oregon, Washington, Idaho, and Alaska, with perhaps some other territory taken in.

Many people are availing themselves of this week as one of vacation and are coming from all parts of the Pacific slope territory, as well as from the far East. It is truly international in its character as exhibits from across the border, year after year, indicate. Newspaper men from all parts of the territory are making more and more an effort to attend the show and report it in their community upon their return home.

Railroads everywhere are making a rate of a fare and a third for the round trip and exhibit stock is handled free one way. Early inquiries should be made of railroad agents in your home town, to get particulars of selling dates and other pertinent information.

For the fifth consecutive year, the widely known Pacific International Livestock special will leave Chicago the morning of Oct. 23rd, being routed West this year over the Chicago, Milwaukee & St. Paul Railway. It will arrive in Portland probably Thursday, October 27th, in plenty of time for the opening of the exposition.

As usual, judges of national reputation have been secured from all parts of the nation to place the ribbons on the different classes of livestock. These names will be furnished a little bit later in a separate letter.

Lived in India At One Time

Last week Mr. and Mrs. O. W. Antrell entertained Mr. and Mrs. Park L. Smith from Los Altos, Cal. Mr. Smith's car attracted considerable attention. It was a cottage on wheels and had every convenience. The engine of the car generated ice for the refrigerator in the kitchen part, the dining room chairs and table could be folded back against the side of the walls, as also the seats. The interior of the car was finished with wood brought from India where Dr. Smith practiced dentistry for years and laid the foundation for his wealth. He has been carried for miles and miles on a hammock by Hindus thru jungles so that he could relieve the sufferings of some high official in a distant part of the country. When working on evoman patients he has had to cut a hole in their veils, which always cover completely the faces of high caste women, so that he could work on their teeth. The recital of his life there sounds like a cat torn out of a story book.

BARNES NEIGHBORHOOD

Mr. Stephens is improving his property adjoining the Barnes school property, which he recently purchased from Mr. McAlpine of Vernonia.

Mrs. N. P. Johnson and sons Curtis, Rogers and Leslie, are at their

cottage in Gearhart until the fall term of school opens.

D. A. Shearer and daughter, of Forest Grove, Mrs. E. F. Mettler, grandson Raymond Shearer, and Miss Mike Hennessey, of Portland, formerly of Beaverton, have returned from a trip to Mt. Adams, bringing home 12 gallons of the large blue huckleberries.

W. R. Shearer and daughter and son-in-law from Seattle visited his brothers family D. A. Shearer of near Beaverton last week.

The building committee are working hard to get started on the new school house to be built in the Barnes district. We hope that all will vote for this improvement at the general election to be held soon.

Mr. and Mrs. Harold Nixon are moving to Portland soon. We are

sorry to lose these good neighbors but wish them the best of luck in their new home.
