RECORD PACK IS FOR RAY-MALING CANNERY

The Ray-Maling, Inc., cannery is working 24 hours a day on a pack that is expected to equal, if not exceed, the record pack of 1926. The plant is finishing up on pears and just starting on apples.

Manager Bert Mailing says that the season will end about the middle of December. With the exception of loganberries all other packs will probably be larger. There is a heavy increase in prunes.

The plant is now employing 254 women and 162 men. —Argus.

BEAVERTON HIGH

B Henrietta Gerrow

The football team journeyed to McMinnville to play their squad again. We had a discouraging score of 24 to 6. Bartlett Halley, playing fullback for Beaverton made a thrilling touchdown in the fourth quarter. A large group of students attended the game. Also some of the alumni were present. Even though we lost, everyone took it in a sporting way, having a good trip and plenty of excitement.

Thursday and Friday of this week are holidays for the students, it being Teachers Institute week at Hillsboro.

The first edition of the "Hummer," which is a paper put out in nine installments by the student body, will be out Monday, October 17. Subscribe early and get all the intimate happenings of the school. Kenneth Wood, of Aloha, is editor in chief.

A football game with Tigard Union High school is anticipated for Friday, October 14th at 1:30 on our home field. This will be the first game played at home this season.

Active work has begun in debate. Some important material was received from the Oregon State Library Tuesday, and the debators are settling down to a real fight.

A special student body meeting was held Wednesday morning.

CARD OF THANKS

We wish to thank our many friends for their kind sympathy and beautiful floral offerings during our recent bereavement, and to specially thank those who rendered the music for this sad occasion.

For Year Round Cash Returns

THAT dairying is the quick, consistent, cash-producing department in farming is proved by the unbiased authentic records of progressive Cow Improvement Associations.

For instance the 190 cows of one Association averaged $111.09 profit per annum. An interesting feature of this record is that the average for the whole state is only about half that of the Association average. To the fact that a pure bred sire headed each Association herd is attributed to the enviable results obtained.

The 17th Annual Pacific International Livestock Exposition, to be held in Portland, October 29 to November 5, provides a splendid opportunity of learning how other farmers are securing increasingly greater and quicker returns from dairying.

The BANK OF BEAVERTON urges every farmer in this section to attend this year's Pacific International. The time will be well spent.
