POULTRYMEN HOLD ANNUAL CONVENTION

Andrew Eggiman, Pioneer Chicken Raiser of State, Makes Address.

E. R. Stromquist, of Tigard, was a member of the John Panck party to attend the two days' session of the Oregon State Poultrymen's convention at the Oregon Agricultural college last Wednesday and Thursday. Corvallis is a live city, a \$1,500,000 building program is in progress on the college grounds. The boys' dormitory will cost a million and one-half and will be paid for from receipts of the rooms. There were more than 200 registered at the convention. A straw vote for president resulted in 109 for Hoover and 26 for Smith. The ministerial conference from 3 states also included in a straw vote with all for Hoover 100 votes. Andrew Eggiman of Cedar Mills spoke Thursday afternoon and as usual, was given an ovation. He is, you know boys and girls, the pioneer chicken raiser of the state, having started 52 years ago when his hens laid the entire year 100%. After getting the audience terribly excited he stated that at that time he had but two hens. Last year he brooded—all by himself—4000 baby chicks and he declares it was some job as they were always getting into mischief. He told in his pleasing way how he used to have cows but he never could get enough milk to pay the feed bill—but now with chickens, and he doesn't claim 100% egg production, there is always money for the feed bill. Mr. Eggiman is strong for Manager E. J. Dixon and the Pacific Cooperative Poultry Producers. He said that when the pullets began to lay all those marbles he didn't see what Mr. Dixon was going to do with them, but Mr. Dixon, who occupied a front seat at that time, only smiled knowingly. All things point to a prosperous year for the chicken raisers. Eggs are scarce—Independent dealers are offering a premium for fresh eggs—are also trying to make association members dissatisfied. All should cooperate and join the egg association if he wishes to put the great poultry industry on a good paying basis. Only cooperation will do, folks. Join the association!

PEEVED ABOUT MAIL BOXES

Residents of Jones road are peeved because their mail boxes were removed 12 feet by construction of the new Canyon road. This, in itself, would be little cause for complaint were it not for the fact that the 12 feet are in a downward direction, down a steep bank. The residents have sent a petition to Roadmaster Buck asking for relief.

EXTENDED TRIP TO BE MADE BY LOCAL FAMILY AND RELATIVES

J. B. Keeler and daughter Vera and Velta, who have been visiting Mr. Keeler's sister, Mrs. V. A. Wood, expect to leave Saturday, accompanied by Mr. and Mrs. V. A. Wood and son Billy, for Idaho Falls, Ida, to visit Mrs. Orville Yancey, another sister. From there they will go to Deer Lodge, Mont., to visit Bert Gibson, Mr. Keeler's brother-in-law, and D. F. Keeler, their father. They are planning to spend several days at Yellowstone National park, Crater lake, the Oregon caves, and other scenic points on their way to their home in Oakland, Cal.

MRS. W. H. BOYD ENTERTAINS BRIDGE CLUB FRIDAY

Mrs. W. H. Boyd entertained the Tuesday and Friday afternoon bridge clubs last Friday in the beautiful grove on her place. A lovely luncheon was served after which bridge was the afternoon's diversion. Mrs. F. G. Donaldson and Mrs. Guy McCormick had the high scores for each of the clubs. Those present were: Mesdames F. H. Scheone, F. G. Donaldson, F. L. Spencer, E. W. Woodruff, Doy Gray, A. E. Hansen, W. C. McKill, J. E. Davis, Elmer Ripe, R. R. Summers, H. R. Nelson, Guy McCormick, J. C. Huntley, George Blasser, Titcomb and the hostess.

A rural extension electric line is being placed in the Walnut Grove community, south of Scholls, on Mountain Side. District Manager Ralph Easter says this is being done to take care of the drying of the wax-walnut crop. The Ford Greener walnut ranch in that vicinity will alone turn out a crop amounting to about \$60,000.

GEO. W. LIPPERT HOME TRANSFORMED INTO PLACE OF BEAUTY

George W. Lippert, who recently came here from Wisconsin and settled on the old Bachman place, formerly owned by C. J. Stuckney, and who is engaged in the poultry business, has made some decided improvements on the place which make it one of the outstanding places of the community. Mr. Lippert, since coming here last fall, has remodeled the interior of the house, repainted the woodwork, papered all the rooms, installed a bathroom, water works, and a septic tank, besides adorning the exterior of the house with pergolas, lattice work and lawn benches. This setting, among the cherry, apple and plum trees, makes one of beauty.

Mr. Lippert has also repainted the large chicken house a brown with white trimming. He has built on a manure shed which is concrete lined to prevent combustion, and the windows are screened to keep out the flies. This is done for sanitary purposes and to prevent the spread of diseases.

He has also torn down the old fence that used to be on the place and installed in its stead a 750 foot six feet high steel fence.

Another means of sanitation is his drinking apparatus for his chickens. There are 12 of these on the place. They work on the order of the sanitary drinking fountains seen on any street of the larger cities, carry a constant stream of cool, clear water to the chickens, which gives them clear, fresh water at all times without the labor of carrying the same to them. There is not the least possible chance of disease contamination through the drinking source.

The general improvements made by Mr. Lippert on this place, its good location, together with the success he seems to be having with raising chickens, would indicate that his place is bound to be not only a profitable one to him, but another addition of beautiful improvement to Aloha and the community.

TWO CARS COME TOGETHER ON CORNER

C. Nell of Portland had his front fender smashed in a collision Wednesday evening at the corner of Broadway and Main Street, North.

C. Nell gave a signal to turn but Mervin Dant, of Tobias, who was driving a Willys-Knight sedan owned by Mrs. Chester Johnson was traveling too fast and did not see the signal until too late, and in trying to avoid the collision ran into a telephone pole completely wrecking the front end of the car he was driving. The car was towed to Stipes garage for repairs.

SCHOLLS EPWORTH LEAGUE HAS NAMED THE FOLLOWING OFFICERS:

Evelyn Hesse, president; Cecil Jack, Thomas Reed, Garnet Guild and Grace Miller, vice-presidents; Marjorie Larkin, secretary-treasurer; Ada Christensen, pianist; Mrs. Clifford Larkin, assistant pianist; Mrs. S. D. Treffren, chorister. The league will give an ice cream social at the church Friday evening.

CONSERVE WATER SUPPLY IN CASE OF FIRE

An order has been issued by the Beaverton city council this week that water can not be used for sprinkling purposes and parties caught violating this order will be subject to discontinuation of city water service.

Owing to the extreme heat and fire risk this order has been necessary to conserve the water supply. Extreme care should be taken by residents to prevent fires. Children should not be allowed to play with matches and when trash is burned care should be taken that every spark of fire is out before leaving it.

Let's all work together, fires are expensive things.

BOYS BAND OF BELLFLOWER POST, AMERICAN LEGION PASS THRU BEAVERTON

The Boys' band of the Bellflower post of the American Legion, Bellflower, Cal., stopped for a few minutes in front of Stipes' garage Wednesday. Their mascot, a baby bear, attracted quite a bit of attention by taking a bath in the water bucket and climbing up the telephone poles and Mr. and Mrs. J. E. Davis and Mr. and Mrs. Gus Stribling and a family of Portland motored over the Mt. Hood loop Sunday.

ALL INSURANCE POLICIES DO NOT INSURE

Word has come to this office of sales of automobile insurance by high-pressure salesmen which it is claimed is cheaper than any local man can quote, but the victims after receiving their policy find that it does not cover all the risks and are complaining to local insurance men and having new policies made out by them.

Suspicion was first aroused when it was found that the insurance had to be paid in advance before the policy would be issued and the checks were always cashed at the local banks within a short time after being given out to the salesmen, the men rushing to the bank several times a day—so that the victim could not change his mind and cancel the checks.

As in every line of business it will pay customers to patronize the local man—the man who lives next door to you, who has the interest of our community at heart and who will give you 100 per cent service on anything you want. He will always treat you right.

LOCAL RESIDENTS SPEND SUNDAY AT BLUE LAKE PARK

Mr. and Mrs. C. J. Stuckney spent Sunday at Blue Lake park, just north of Fairview, which is about a 30 minutes drive out Sandy boulevard from Portland. Beautiful Blue lake is the most popular camping, boating and swimming resort near Portland, but very few of our people here have known of this lake before.

TWO NEW STORES RENTED

C. L. Baker of Portland who has rented the old postoffice building, expects to open his store about August 1, with a large stock of general merchandise. Look for announcements in paper.

Dewey Drorbaugh moved into the corner store in the Rossi building this week, one door west of his old location. A partition has been erected dividing the large store into two parts with the show room in front and the shop back of that. The large show window will give him more space to display his goods.

MARTIN BERGY DIED AT MASONIC HOME

Martin Bergy died at the Masonic home Thursday evening. Mr. Bergy was born in Grand Rapids, Mich., March 22, 1857. He belonged to the Grand River lodge, A. F. A. M., and affiliated with the Masonic lodge at this place in 1922. Mr. Bergy lived on a farm in Beaverton for a number of years. He went to the Masonic home to live in 1924. His wife, May Bergy, died in January of this year. Mr. Bergy's funeral was held in the Masonic home Tuesday afternoon.

Rev. Marcy of Forest Grove M. E. church, led the funeral services at that place.

Beaver lodge A. F. & A. M. had charge of the services at the grave. Earl Evans delivered the address. The pall bearers were: B. Woodard, R. B. Denney, D. A. Wood, Robert Summers, Jim Lewis and Chester Hanna. W. E. Pegg was in charge of arrangements.

A letter was received from W. J. Noyes who is on his way to Arizona. He has not gained in weight and is very poorly. Mr. Noyes can only travel a few days and then is compelled to rest for several days before resuming his journey.

"ME AND MY SHADOW"

Whether you are strolling down the avenue, working at a bench, writing at a desk, or what not, there are two things from which you can't get away—your shadow and your opportunity. Rarely does an hour of any working day pass that each one of us does not have opportunity to do something, be it ever so little, toward pleasing those whose good will we value.

To do just a little better the task at hand is our biggest opportunity. There is no need to wait for extraordinary circumstances to do good actions, when we can use the ordinary every-day situations.

—Darnel

CANDIDATES MAY BE BROUGHT OUT TO OPPOSE FISHER

Will Tillamook have an independent candidate to oppose Earl E. Fisher of Beaverton, republican nominee for joint senator at the November election? is the question which the Tillamook Headlight discusses at length in a recent issue.

The article reads as follows: "It is generally felt that Tillamook and Lincoln counties will be without representation in the upper house if some action is not taken. And this, with all due respect to the Washington county man. It is hardly expected of the Beaverton citizen, who now is unopposed for the senatorship, that he can overlook the interests of his own county when they perhaps are not in exact accord with Tillamook county, something that is sure to crop out at some time, local interests feel. On this ground they feel that although Washington county has representation and perhaps, Yamhill, the coast counties in the joint senatorship are without a voice.

"The closeness of the race in which Fisher defeated C. J. Edwards of Tillamook at the primaries by but a scant 51 votes is also taken into consideration. Many believe that a more aggressive campaign in behalf of the Tillamook county man would have brought about his election. Edwards carried his own county by a big majority, polling 1846 votes here. He also carried Yamhill with better than 200 majority. Lincoln county was about even up, Fisher getting his big support in Washington county with 2798 to Edwards' 1072. Therefore, it follows, it is urged that Washington county, too, is friendly to Tillamook and it is felt a strong candidate would be able to make progress there at the same time holding the vote maintained in the other counties by Edwards."

SENATOR WM. E. BORAH TO SPEAK AT ASSOCIATION MEETING

Aberdeen, Wash., (Special). Saving and loan leaders from ten western states and the province of British Columbia will gather here August 8 to 11 to discuss mutual business problems. Senator William E. Borah has been invited as the principal speaker for the annual banquet. Over 500 delegates, it is expected, will be in attendance and these will represent associations having assets of \$750,000,000. The visitors will be entertained at banquets, in trips and picnics at the Pacific ocean beaches, 30 miles west of here, and in sight seeing trips through sawmills, door factories, logging camps and big timber.

GRANGE DAY AT CHAMPOEG PARK

Sunday was Grange day at Champoeg park and a large number of Tigard members spent the day there. The roads have been widened and improved and the place is easily reached by auto.

Among those present were, Mr. and Mrs. O. H. Butler, Arthur Ray, Mr. and Mrs. Win. Ray, Mrs. Ida Gustin, Mr. Patchett, Mr. and Mrs. Bailey, Mrs. Harrow, Mrs. Flora Leedy, Mr. and Mrs. J. A. Crabtree and family, Mr. and Mrs. Payton, Miss Dell Stibbe, Mrs. Seige and Mr. and Mrs. Van Kleek.

Several interesting speakers made short addresses. The assertion was made that congress would appropriate \$100,000 if the state would do the same to make this place a mecca for visitors like Bunker Hill. New buildings and better roads are needed here.

POULTRY CULLING DEMONSTRATION

A poultry culling demonstration will be held at Fred Muhley's poultry farm at Cornelius August 2nd, at 1:30 p. m. H. E. Cosby, poultry specialist of the O. A. C. Extension Service will conduct the demonstration.

Practical poultry culling of laying flocks is best done at this time. Those interested are invited to attend. On August 3rd a culling demonstration will be held at the farm of John Panck at Tigard.

NEXT YEAR ROAD PROGRAM HALTED

Dunne Bills Retard Progress of Highway Development.

Oregon motorists and taxpayers will be interested in the fact that the so-called \$3 and \$5 measures, which would have affected the state highway program, will not appear on the November ballot, as the necessary signatures to initiative petitions were not filed at Salem.

The public mind has become confused through extensive preliminary discussion in the state press of these bills, and it should be pointed out, as a matter of interest of the highest importance, that the only measures relating to motor vehicle license and a tax on gasoline which will have a place on the ballot are those initiated by Joe Dunne, of Portland.

Mr. Dunne's license bill provides for a general reduction in license fees of approximately 50 per cent. If this bill should be approved by the people in November, the state highway fund will lose about \$3,000,000. The other initiative measure would increase the gasoline tax from three to five cents per gallon. If both bills should pass, the state's income from the gas tax would be increased about \$1,200,000, leaving the highway department with a net loss of nearly \$2,000,000. Should the people approve the decreased license fees set up in the Dunne bill and reject the increased gas tax of his other bill, the net loss to the highway fund would amount to a sum equivalent to that now available for new construction and betterments. Under this threatening situation, the highway commission has been forced to call a halt in its contemplated program for next year and to hold in abeyance any expenditure other than maintenance and the mandatory payments of principal and interest on road bonds.

The above figures are based on careful and constructive estimates of state revenues relating to the highway fund, which was set up by the people and the legislature to accomplish a definite program of state road construction. This program is far from completion at this time.

A marriage license was issued to David Hardy of Portland and Pauline F. Strucken of Tigard.
