To The Public

Effective Friday, August 10th, 1928, the current issue of \$6.00 First Preferred Stock of the Portland Electric Power Company, will be advanced in price

From \$96.00 to \$98.00 Per Share

Two years ago this stock was first offered to the public at \$90.00 per share, but the steadily growing demand for it on the part of the investing public has resulted in three successive advances in price.

At the new price of \$98.00 per share, this stock yields a net return of 6.12 per cent.
