ALOHA-HUBER SCHOOL

Mrs. Wm. Saxton visited her little son Fay in the primary room Tuesday.

The first grade children have a Christmas tree in the center of their room and are very happy when they dance and sing "Round and Round the Christmas Tree." They also have a new miniature picture show with the Christmas story appropriately illustrated. The room decorations are paper chains, Christmas lanterns and bells and an imitation fireplace all ready for old Santa Claus.

The primary room has a "grab bag" in the shape of a huge stocking and each child brings a gift to put in it. It will be great fun to pull out the gifts and see what each receives.

Mrs. Howard Ewer was a visitor in the first grade Tuesday. As she is the mother of the triplets she has to visit three times as often as other mothers.

Mrs. Henry Schlottman visited little Albert in the first grade Wednesday.

The second and third grades are making many novel Christmas gifts.

The third grade are making a picture show, depicting "Our Night Before Christmas."

Mrs. Humphreys, of the Crown Mills, has been in the school house Wednesday, Thursday and Friday. All the different articles she made were sold and the money turned into the 4-H clubs.

Ethel Bush was ill for several days.

Lucile and Nina Brunning returned to school this week.

Mrs. Wilson is now leader of the first year cooking.

Mrs. Reiger of the Portland Gas and Coke Co. gave an interesting chat Wednesday afternoon at Mrs. Humphreys cooking school on the advantages of a smooth top gas range.

The first year sewing club received booklets from the Oregon State College Monday.

Rosalie Reed is rapidly recovering from her recent operation and is expected home from the hospital this week.

The seventh grade drew numbers for Christmas presents. The presents must not cost over 15 cents.

The fifth and sixth grades are studying the life of Munson who discovered the south pole December 14 1912. Memorial services will be held in Portland December 14 in memory of the event.

The pupils enrolled in Mrs. Mack's room had a treat Wednesday. Mrs. Mack purchased one of Mrs. Humphreys cakes and divided it among the class at their lunch period.

Carlo Maki left Tuesday to enter Kenton school, Portland.

Mesdames Pulver, Gray and Wickstrand visited the fifth grade this week.

Aloha-Huber's football team played Barnes school Friday and won. Score was 18 to 6.

The eighth grade class met this week and decided to have a Christmas tree and draw for presents.

The school are planning several girls and boys basket ball teams if they can secure a place to practice.

suddenly at his home near Beaverton. Interment was in Crescent Grove Cemetery. He leaves a wife, Freda, son Kenneth and step-child Doris at home and four other step children by previous marriage.

The Ladies Aid met at the home of Mrs. I. Tarty Thursday afternoon. Mrs. Tarty and Mrs. Joe Tubbs were hostesses.

Bubby Twels is ill with smallpox.

Mrs. Amelia Isaacson and children were dinner guests at the home of Mr. and Mrs. David Hagg Sunday.

Mr. and Mrs. Paul Hagg and children were visitors at the home of Mr. and Mrs. David Hagg Sunday afternoon.

Jean Sivard spent the week end in Portland with her cousin Mrs. Lang.

Mrs. H. G. Brownrigg, Mrs. H. O. Wright and Mrs. M. F. Clark were Portland visitors Tuesday.

Mrs. J. R. Axley has returned from Santa Cruz, California and is a guest of Mrs. A. Lunv.

Miss Henrietta Gerrow was ill several days this week with the flu.

The Community Christmas tree on the vacant lot across from the Aloha Lumber Co. is very attractive and reflects credit on the progressiveness of Aloha merchants.

The Christmas tree in the Aloha Mercantile store can be seen for a long distance up and down the highway and attracts a lot of attention especially at night. A "toy" wagon in the window filled with fruit brings thoughts of Christmas dinner.

SURPRISE PARTY FOR E. A. JOHNSON AND WIFE

Members of the Methodist church gave Mr. and Mrs. E. A. Johnson a surprise party at their home Thursday evening. In a few well chosen words Rev. Sibley, on behalf of the members thanked Mr. and Mrs. Johnson for their generous contributions which have made it possible, with the help of others, to rapidly reduce the indebtedness on the parsonage. A crew from the West Coast Telephone company under charge of Mr. Fix have been "fixing" the new 1, 2, and 4 party lines in Tigard this week. They made over 100 changes. This new service makes it easier for the subscribers to reach their party and is well worth the slight increase in rates.

Notice to the public

SUPPOSE you are today paying 50c a tube for your tooth paste (and there are many very good dentifrices selling today at that price).

Suppose, like most people, you buy about twelve tubes during a year. Now if you knew that you could buy as good a dentifrice as can be made and still save each year the price of 25 loaves of bread or 60 bars of soap or 40 pounds of sugar or a box of fine cigars—could you conscientiously fail to take advantage of such an opportunity?

That is exactly what you do when you buy Listerine Tooth Paste at 25c for a large tube. Figure it out for yourself.
